Rate chart guide

Kaiser Permanente for Individuals and Families • January 2026 • California

Please save this guide for future reference.

Rates are determined individually based on each person's age on the plan's effective date. Even if you're buying coverage for your family, rates are specific to each family member. (If you are enrolled in a plan directly through Kaiser Permanente and are turning 65 this year, you may find you can get a lower rate through Kaiser Permanente Senior Advantage. For more information, call **1-800-747-2189.**)

Your rate may increase or decrease if you:

- Move to a new rate area
- Change plans
- Add or drop a dependent

If any of these changes apply to you, consult this *Rate Chart Guide* for your new rate. To use the *Rate Chart Guide*, simply find your ZIP code on pages 2 through 5 to determine your rate area. Then locate the chart for your rate area. Your monthly rate will appear in the box where your age as of your 2026 effective date and your desired plan intersect.

Although family members can enroll in different plans, there are some advantages to enrolling family members in the same plan:

- Children can be covered under your plan until they reach age 26, whether or not they're in school or living at home.
- If you have more than 3 children under 21 on the same plan, you'll only be charged for the 3 oldest. Other children under 21 are covered at no charge.
- You can enroll your parents or stepparents as dependents on your plan if they meet the definition of a qualifying relative and live within the service area.

If you have any questions, or would like to confirm your rate area, please call our Member Service Contact Center. Representatives are available 24 hours a day, 7 days a week (except holidays), at **1-800-464-4000** (TTY **711**).

Dental Insurance Plan

Kaiser Permanente's optional adult dental insurance plan is a great value. Choose from more than 21,000 Delta Dental providers, or select another dentist of your choice. Your Kaiser Permanente health plan includes pediatric dental benefits for child members until the end of the month in which the member turns 19.

2026 monthly rate	$32.01 per member

Kaiser Permanente's dental insurance plan is underwritten by Kaiser Permanente Insurance Company (KPIC), a subsidiary of Kaiser Foundation Health Plan, Inc., and administered by Delta Dental of California. For more information, call Delta Dental at 1-800-933-9312 (if you are already enrolled, call toll free 1-800-835-2244).
