Cost Share Summary

This "Cost Share Summary" is part of your Evidence of Coverage (*EOC*) and is meant to explain the amount you will pay for covered Services under this plan. It does not provide a full description of your benefits. For a full description of your benefits, including any limitations and exclusions, please read this entire *EOC*, including any amendments, carefully.

Accumulation Period

The Accumulation Period for this plan is January 1 through December 31.

Deductibles and Out-of-Pocket Maximums

For Services that apply to the Plan Out-of-Pocket Maximum, you will not pay any more Cost Share for the rest of the Accumulation Period once you have reached the amounts listed below.

If your Group's plan changes during an Accumulation Period, your deductibles and out-of-pocket maximums may increase or decrease, which may change the total amount you must accumulate to reach the deductibles or out-of-pocket maximums during that Accumulation Period.

Amounts Per Accumulation Period	**Self-Only Coverage** (a Family of one Member)	**Family Coverage** Each Member in a Family of two or more Members	**Family Coverage** Entire Family of two or more Members

Cost Share Summary Tables by Benefit

How to read the Cost Share summary tables

Each table below explains the Cost Share for a category of benefits. Specific Services related to the benefit are described in the first column of each table. For a detailed description of coverage for a particular benefit, refer to the same benefit heading in the "Benefits" section of this *EOC*.

- **Copayment / Coinsurance**. This column describes the Cost Share you will pay for Services after you have met your Plan Deductible or Drug Deductible, if applicable. (Please see the "Deductibles and Out-of-Pocket Maximums" section above to determine if your plan includes deductibles.) If the Services are not covered in your plan, this column will read "Not covered." If we provide an Allowance that you can use toward the cost of the Services, this column will include the Allowance.
- **Subject to Deductible**. This column explains whether the Cost Share you pay for Services is subject to a Plan Deductible or Drug Deductible. If the Services are subject to a deductible, you will pay Charges for those Services until you have met your deductible. If the Services are subject to a deductible, there will be a "✓" or "D" in this column, depending on which deductible applies ("✓" for Plan Deductible, "D" for Drug Deductible). If the Services do not apply to a deductible, or if your plan does not include a deductible, this column will be blank. For a more detailed explanation of deductibles, refer to "Plan Deductible" and "Drug Deductible" in the "Benefits" section of this *EOC*.
- **Applies to OOPM**. This column explains whether the Cost Share you pay for Services counts toward the Plan Out-of-Pocket Maximum ("OOPM") after you have met any applicable deductible. If the Services count toward the Plan OOPM, there will be a "✓" in this column. If the Services do not count toward the Plan OOPM, this column will be blank. For a more detailed explanation of the Plan OOPM, refer to "Plan Out-of-Pocket Maximum" heading in the "Benefits" section of this *EOC*.

Introduction

This *Combined Evidence of Coverage and Disclosure Form* (*"EOC"*) describes the health care coverage of the Gold 80 HMO 0/35 + Child Dental Alt INF plan provided under the *Group Agreement* (*"Agreement"*) between Kaiser Foundation Health Plan, Inc. ("Health Plan") and the entity with which Health Plan has entered into the *Agreement* (your "Group").

This *EOC* is part of the *Agreement* between Health Plan and your Group. The *Agreement* contains additional terms such as Premiums, when coverage can change, the effective date of coverage, and the effective date of termination. The *Agreement* must be consulted to determine the exact terms of coverage. A copy of the *Agreement* is available from your Group.

Once enrolled in other coverage made available through Health Plan, that other plan's evidence of coverage cannot be cancelled without cancelling coverage under this *EOC*, unless the change is made during open enrollment or a special enrollment period.

For benefits provided under any other program offered by your Group (for example, workers compensation benefits), refer to your Group's materials.

In this *EOC*, Health Plan is sometimes referred to as "we" or "us." Members are sometimes referred to as "you." Some capitalized terms have special meaning in this *EOC*; please see the "Definitions" section for terms you should know.

It is important to familiarize yourself with your coverage by reading this *EOC* completely, so that you can take full advantage of your Health Plan benefits. Also, if you have special health care needs, please carefully read the sections that apply to you.

About Kaiser Permanente

PLEASE READ THE FOLLOWING INFORMATION SO THAT YOU WILL KNOW FROM WHOM OR WHAT GROUP OF PROVIDERS YOU MAY GET HEALTH CARE.

When you join Kaiser Permanente, you are enrolling in one of two Health Plan Regions in California (either our Northern California Region or Southern California Region), which we call your "Home Region." The coverage information in this *EOC* applies when you obtain care in your Home Region. Kaiser Permanente provides Services directly to our Members through an integrated medical care program. Health Plan, Plan Hospitals, and the Medical Group work together to provide our Members with quality care. Our medical care program gives you access to all of the covered Services you may need, such as routine care with your own personal Plan Physician, hospital Services, laboratory and pharmacy Services, Emergency Services, Urgent Care, and other benefits described in this *EOC*. Plus, our health education programs offer you great ways to protect and improve your health.

We provide covered Services to Members using Plan Providers located in our Service Area, which is described in the "Definitions" section. You must receive all covered care from Plan Providers inside our Service Area, except as described in the sections listed below for the following Services:

Pediatric Dental Coverage

Except as described under "Dental and Orthodontic Services" in the "Benefits" section below, dental services are not covered under this *EOC*. Information in this *EOC*, such as how to get care, descriptions of services that are covered, and how to resolve issues related to your health care coverage, pertains only to Services covered under this *EOC*.

When you enroll in this Kaiser Permanente coverage, you are also automatically enrolling in a separate pediatric dental plan underwritten by Delta Dental of

California, which will provide coverage of dental benefits for any children under age 19 that you enroll.

These dental benefits are described in the Delta Dental Combined Evidence of Coverage and Disclosure Form ("Delta Dental EOC/DF") attached to this *EOC*. Refer to this Delta Dental EOC/DF for information about your dental coverage, such as how to get care, and services that are covered.

Renewal

Coverage of dental services benefits under the Delta Dental EOC/DF attached to this *EOC* will automatically renew upon the renewal of this *EOC*.

Premiums

Premiums due under this *EOC* include the dental services underwritten by Delta Dental of California described in the attached Delta Dental EOC/DF.

Dispute Resolution

Delta Dental is responsible for administering and resolving enrollee complaints, grievances and appeals that concern dental services covered by the Delta Dental EOC/DF. Refer to the Delta Dental EOC/DF attached to this *EOC* for information regarding these complaints, grievances and appeals. Health Plan is responsible for administering and resolving any enrollee complaints, grievances and appeals that concern enrollment, premium collection and/or termination relating to this pediatric dental coverage.

Termination

Coverage of dental services benefits under the Delta Dental EOC/DF attached to this *EOC* will automatically terminate upon the termination of this *EOC* (for example, if your coverage under this *EOC* terminates because you lose eligibility as a Dependent, your coverage under the Delta Dental EOC/DF will terminate at the same time). Delta Dental will not separately terminate its dental services coverage under the Delta Dental EOC/DF. If Delta Dental stops offering the pediatric dental plan described in the Delta Dental EOC/DF during the term of this *EOC*, we will make arrangements for the Services to be provided by another pediatric dental plan and notify you of the arrangements.

Term of this *EOC*

This *EOC* is for the period January 1, 2024, through December 31, 2024, unless amended. Your Group can tell you whether this *EOC* is still in effect and give you a current one if this *EOC* has expired or been amended.

The facility's primary business must be the provision of 24-hour-a-day licensed skilled nursing care. The term "Skilled Nursing Facility" does not include convalescent nursing homes, rest facilities, or facilities for the aged, if those facilities furnish primarily custodial care, including training in routines of daily living. A "Skilled Nursing Facility" may also be a unit or section within another facility (for example, a hospital) as long as it continues to meet this definition.

Spouse: The person to whom the Subscriber is legally married under applicable law. For the purposes of this *EOC*, the term "Spouse" includes the Subscriber's domestic partner. "Domestic partners" are two people who are registered and legally recognized as domestic partners by California (if your Group allows enrollment of domestic partners not legally recognized as domestic partners by California, "Spouse" also includes the Subscriber's domestic partner who meets your Group's eligibility requirements for domestic partners).

Stabilize: To provide the medical treatment of the Emergency Medical Condition that is necessary to assure, within reasonable medical probability, that no material deterioration of the condition is likely to result from or occur during the transfer of the person from the facility. With respect to a pregnant person who is having contractions, when there is inadequate time to safely transfer them to another hospital before delivery (or the transfer may pose a threat to the health or safety of the pregnant person or unborn child), "Stabilize" means to deliver (including the placenta).

Subscriber: A Member who is eligible for membership on their own behalf and not by virtue of Dependent status and who meets the eligibility requirements as a Subscriber (for Subscriber eligibility requirements, see "Who Is Eligible" in the "Premiums, Eligibility, and Enrollment" section).

Surrogacy Arrangement: An arrangement in which an individual agrees to become pregnant and to surrender the baby (or babies) to another person or persons who

intend to raise the child (or children), whether or not the individual receives payment for being a surrogate. For the purposes of this *EOC*, "Surrogacy Arrangements" includes all types of surrogacy arrangements, including traditional surrogacy arrangements and gestational surrogacy arrangements.

Telehealth Visits: Interactive video visits and scheduled telephone visits between you and your provider.

Urgent Care: Medically Necessary Services for a condition that requires prompt medical attention but is not an Emergency Medical Condition.

Premiums, Eligibility, and Enrollment

Premiums

Your Group is responsible for paying Full Premiums, except that you are responsible for paying Full Premiums as described in the "Continuation of Membership" section if you have Cal-COBRA coverage under this *EOC*. If you are responsible for any contribution to the Premiums that your Group pays, your Group will tell you the amount, when Premiums are effective, and how to pay your Group (through payroll deduction, for example).

Who Is Eligible

To enroll and to continue enrollment, you must meet all of the eligibility requirements described in this "Who Is Eligible" section, including Covered California eligibility requirements, your Group's eligibility requirements and our Service Area eligibility requirements.

Group eligibility requirements

You must meet your Group's eligibility requirements, such as the minimum number of hours that employees must work. Your Group is required to inform Subscribers of its eligibility requirements.

Service Area eligibility requirements

The "Definitions" section describes our Service Area and how it may change.

Subscribers must live or work inside our Service Area at the time they enroll. If after enrollment the Subscriber no longer lives or works inside our Service Area, the Subscriber can continue membership unless (1) they live inside or move to the service area of another Region and do not work inside our Service Area, or (2) your Group does not allow continued enrollment of Subscribers who do not live or work inside our Service Area.

Dependent children of the Subscriber or of the Subscriber's Spouse may live anywhere inside or outside our Service Area. Other Dependents may live anywhere, except that they are not eligible to enroll or to continue enrollment if they live in or move to the service area of another Region.

If you are not eligible to continue enrollment because you live in or move to the service area of another Region, please contact your Group to learn about your Group health care options:

- **Regions outside California**. You may be able to enroll in the service area of another Region if there is an agreement between your Group and that Region, but the plan, including coverage, premiums, and eligibility requirements, might not be the same as under this *EOC*
- **Southern California Region's service area**. Your Group may have an arrangement with us that permits membership in the Southern California Region, but the plan, including coverage, premiums, and eligibility requirements, might not be the same as under this *EOC*. All terms and conditions in your application for enrollment in the Northern California Region, including the Arbitration Agreement, will continue to apply if the Subscriber does not submit a new enrollment form

For more information about the service areas of the other Regions, please call Member Services.

Eligibility as a Subscriber

You may be eligible to enroll and continue enrollment as a Subscriber if you are:

- An employee of your Group
- A proprietor or partner of your Group
- Otherwise entitled to coverage under a trust agreement or employment contract (unless the Internal Revenue Service considers you self-employed)

Eligibility as a Dependent

Enrolling a Dependent

Dependent eligibility is subject to your Group's eligibility requirements, which are not described in this *EOC*. You can obtain your Group's eligibility requirements directly from your Group. If you are a Subscriber under this *EOC* and if your Group allows enrollment of Dependents, Health Plan allows the

following persons to enroll as your Dependents under this *EOC*:

- Your Spouse
- Your or your Spouse's Dependent children, who meet the requirements described under "Age limit of Dependent children," if they are any of the following:
  - biological children
  - stepchildren
  - adopted children
  - children placed with you for adoption
  - foster children if you or your Spouse have the legal authority to direct their care
  - children for whom you or your Spouse is the court-appointed guardian (or was when the child reached age 18)
- Children whose parent is a Dependent child under your family coverage (including adopted children and children placed with your Dependent child for adoption or foster care), if they meet all of the following requirements:
  - they are not married and do not have a domestic partner (for the purposes of this requirement only, "domestic partner" means someone who is registered and legally recognized as a domestic partner by California)
  - they meet the requirements described under "Age limit of Dependent children"
  - they receive all of their support and maintenance from you or your Spouse
  - they permanently reside with you or your Spouse

If you have a baby

If you have a baby while enrolled under this *EOC*, the baby is not automatically enrolled in this plan. The Subscriber must request enrollment of the baby as described under "Special enrollment" in the "How to Enroll and When Coverage Begins" section below. If the Subscriber does not request enrollment within this special enrollment period, the baby will only be covered under this plan for 31 days (including the date of birth).

Age limit of Dependent children

Children must be under age 26 as of the effective date of this *EOC* to enroll as a Dependent under your plan.

Dependent children are eligible to remain on the plan through the end of the month in which they reach the age limit.

Dependent children of the Subscriber or Spouse (including adopted children and children placed with you for adoption) who reach the age limit may continue coverage under this *EOC* if all of the following conditions are met:

- They meet all requirements to be a Dependent except for the age limit
- Your Group permits enrollment of Dependents
- They are incapable of self-sustaining employment because of a physically- or mentally-disabling injury, illness, or condition that occurred before they reached the age limit for Dependents
- They receive 50 percent or more of their support and maintenance from you or your Spouse
- If requested, you give us proof of their incapacity and dependency within 60 days after receiving our request (see "Disabled Dependent certification" below in this "Eligibility as a Dependent" section)

Disabled Dependent certification

Proof may be required for a Dependent to be eligible to continue coverage as a disabled Dependent. If we request it, the Subscriber must provide us documentation of the dependent's incapacity and dependency as follows:

- If the child is a Member, we will send the Subscriber a notice of the Dependent's membership termination due to loss of eligibility at least 90 days before the date coverage will end due to reaching the age limit. The Dependent's membership will terminate as described in our notice unless the Subscriber provides us documentation of the Dependent's incapacity and dependency within 60 days of receipt of our notice and we determine that the Dependent is eligible as a disabled dependent. If the Subscriber provides us this documentation in the specified time period and we do not make a determination about eligibility before the termination date, coverage will continue until we make a determination. If we determine that the Dependent does not meet the eligibility requirements as a disabled dependent, we will notify the Subscriber that the Dependent is not eligible and let the Subscriber know the membership termination date. If we determine that the Dependent is eligible as a disabled dependent, there will be no lapse in coverage. Also, starting two years after the date that the Dependent reached the age limit, the Subscriber must provide us documentation of the Dependent's incapacity and dependency annually within 60 days after we request it so that we can determine if the Dependent continues to be eligible as a disabled dependent
- If the child is not a Member because you are changing coverage, you must give us proof, within 60 days after we request it, of the child's incapacity and dependency as well as proof of the child's coverage under your prior coverage. In the future, you must

provide proof of the child's continued incapacity and dependency within 60 days after you receive our request, but not more frequently than annually

If the Subscriber is enrolled under a Kaiser Permanente Medicare plan

The dependent eligibility rules described in the "Eligibility as a Dependent" section also apply if you are a subscriber under a Kaiser Permanente Medicare plan offered by your Group (please ask your Group about your membership options). All of your dependents who are enrolled under this or any other non-Medicare evidence of coverage offered by your Group must be enrolled under the same non-Medicare evidence of coverage. A "non-Medicare" evidence of coverage is one that does not require members to have Medicare.

Persons barred from enrolling

You cannot enroll if you have had your entitlement to receive Services through Health Plan terminated for cause.

Members with Medicare and retirees

This *EOC* is not intended for retirees and most Medicare beneficiaries. If, during the term of this *EOC*, you are (or become) eligible for Medicare or you retire, the following will apply:

- If you are the Subscriber and you retire, membership under this *EOC* will be terminated and you may be eligible to continue membership as described in the "Continuation of Membership" section (this requirement may not apply if the Subscriber is enrolled through guaranteed association)
- If federal law requires that your Group's health care coverage be primary and Medicare coverage be secondary, your coverage under this *EOC* will be the same as it would be if you had not become eligible for Medicare. However, you may also be eligible to enroll in Kaiser Permanente Senior Advantage through your Group if you have Medicare Part B
- If none of the above applies to you and you are eligible for Medicare please ask your Group about your membership options.

When Medicare is secondary

Medicare is the primary coverage except when federal law requires that your Group's health care coverage be primary and Medicare coverage be secondary. Members who have Medicare when Medicare is secondary by law are subject to the same Premiums and receive the same benefits as Members who are under age 65 and do not have Medicare. In addition, any such Member for whom Medicare is secondary by law and who meets the eligibility requirements for the Kaiser Permanente Senior Advantage plan applicable when Medicare is secondary may also enroll in that plan if it is available. These Members receive the benefits and coverage described in this *EOC* and the Kaiser Permanente Senior Advantage evidence of coverage applicable when Medicare is secondary.

Medicare late enrollment penalties

If you become eligible for Medicare Part B and do not enroll, Medicare may require you to pay a late enrollment penalty if you later enroll in Medicare Part B. However, if you delay enrollment in Part B because you or your spouse are still working and have coverage through an employer group health plan, you may not have to pay the penalty. Also, if you are (or become) eligible for Medicare and go without creditable prescription drug coverage (drug coverage that is at least as good as the standard Medicare Part D prescription drug coverage) for a continuous period of 63 days or more, you may have to pay a late enrollment penalty if you later sign up for Medicare prescription drug coverage. If you are (or become) eligible for Medicare, your Group is responsible for informing you about whether your drug coverage under this *EOC* is creditable prescription drug coverage at the times required by the Centers for Medicare & Medicaid Services and upon your request.

How to Enroll and When Coverage Begins

Your Group is required to inform you when you are eligible to enroll and what your effective date of coverage is. If you are eligible to enroll as described under "Who Is Eligible" in this "Premiums, Eligibility, and Enrollment" section, enrollment is permitted as described below and membership begins at the beginning (12:00 a.m.) of the effective date of coverage indicated below, except that your Group may have additional requirements, which allow enrollment in other situations.

If you are eligible to be a Dependent under this *EOC* but the subscriber in your family is enrolled under a Kaiser Permanente Senior Advantage evidence of coverage offered by your Group, the rules for enrollment of Dependents in this "How to Enroll and When Coverage Begins" section apply, not the rules for enrollment of dependents in the subscriber's evidence of coverage.

New employees

When your Group informs you that you are eligible to enroll as a Subscriber, you may enroll yourself and any eligible Dependents by submitting a Health Plan–approved enrollment application to your Group within 31 days.

Effective date of coverage
The effective date of coverage for new employees and their eligible family Dependents is determined by your Group in accord with waiting period requirements in state and federal law. Your Group is required to inform the Subscriber of the date your membership becomes effective. For example, if the hire date of an otherwise-eligible employee is January 19, the waiting period begins on January 19 and the effective date of coverage cannot be any later than April 19. Note: If the effective date of your Group's coverage is always on the first day of the month, in this example the effective date cannot be any later than April 1.

Open enrollment

You may enroll as a Subscriber (along with any eligible Dependents), and existing Subscribers may add eligible Dependents, by submitting a Health Plan–approved enrollment application to your Group during your Group's open enrollment period. Your Group will let you know when the open enrollment period begins and ends and the effective date of coverage.

Special enrollment

If you do not enroll when you are first eligible and later want to enroll, you can enroll only during open enrollment unless one of the following is true:

- You become eligible because you experience a qualifying event (sometimes called a "triggering event") as described in this "Special enrollment" section
- You did not enroll in any coverage offered by your Group when you were first eligible and your Group does not give us a written statement that verifies you signed a document that explained restrictions about enrolling in the future. The effective date of an enrollment resulting from this provision is no later than the first day of the month following the date your Group receives a Health Plan–approved enrollment or change of enrollment application from the Subscriber

Special enrollment due to new Dependents
You may enroll as a Subscriber (along with eligible Dependents), and existing Subscribers may add eligible Dependents, within 60 days after marriage, establishment of domestic partnership, birth, adoption, placement for adoption, or placement for foster care by submitting to your Group a Health Plan–approved enrollment application.

The effective date of an enrollment resulting from marriage or establishment of domestic partnership is no later than the first day of the month following the date your Group receives an enrollment application from the Subscriber. Enrollments due to birth, adoption, placement for adoption, or placement for foster care are effective on the date of birth, date of adoption, or the date you or your Spouse have newly assumed a legal right to control health care.

Special enrollment due to loss of other coverage
You may enroll as a Subscriber (along with any eligible Dependents), and existing Subscribers may add eligible Dependents, if all of the following are true:

- The Subscriber or at least one of the Dependents had other coverage when they previously declined all coverage through your Group
- The loss of the other coverage is due to one of the following:
  - ♦ exhaustion of COBRA coverage
  - ♦ termination of employer contributions for non-COBRA coverage
  - ♦ loss of eligibility for non-COBRA coverage, but not termination for cause or termination from an individual (nongroup) plan for nonpayment. For example, this loss of eligibility may be due to legal separation or divorce, moving out of the plan's service area, reaching the age limit for dependent children, or the subscriber's death, termination of employment, or reduction in hours of employment
  - ♦ loss of eligibility (but not termination for cause) for coverage through Covered California, Medicaid coverage (known as Medi-Cal in California), Children's Health Insurance Program coverage, or Medi-Cal Access Program coverage
  - ♦ reaching a lifetime maximum on all benefits

Note: If you are enrolling yourself as a Subscriber along with at least one eligible Dependent, only one of you must meet the requirements stated above.

To request enrollment, the Subscriber must submit a Health Plan–approved enrollment or change of enrollment application to your Group within 60 days after loss of other coverage. The effective date of an enrollment resulting from loss of other coverage is no later than the first day of the month following the date your Group receives an enrollment or change of enrollment application from the Subscriber.

Special enrollment due to court or administrative order
Within 60 days after the date of a court or administrative order requiring a Subscriber to provide health care coverage for a Spouse or child who meets the eligibility requirements as a Dependent, the Subscriber may add the Spouse or child as a Dependent by submitting to your

Group a Health Plan–approved enrollment or change of enrollment application.

The effective date of coverage resulting from a court or administrative order is the first of the month following the date we receive the enrollment request, unless your Group specifies a different effective date (if your Group specifies a different effective date, the effective date cannot be earlier than the date of the order).

Special enrollment due to eligibility for premium assistance

You may enroll as a Subscriber (along with eligible Dependents), and existing Subscribers may add eligible Dependents, if you or a dependent become eligible for premium assistance through the Medi-Cal program. Premium assistance is when the Medi-Cal program pays all or part of premiums for employer group coverage for a Medi-Cal beneficiary. To request enrollment in your Group's health care coverage, the Subscriber must submit a Health Plan–approved enrollment or change of enrollment application to your Group within 60 days after you or a dependent become eligible for premium assistance. Please contact the California Department of Health Care Services to find out if premium assistance is available and the eligibility requirements.

Special enrollment due to reemployment after military service

If you terminated your health care coverage because you were called to active duty in the military service, you may be able to reenroll in your Group's health plan if required by state or federal law. Please ask your Group for more information.

Other special enrollment events

You may enroll as a Subscriber (along with any eligible Dependents) if you or your Dependents were not previously enrolled, and existing Subscribers may add eligible Dependents not previously enrolled, if any of the following are true:

- You lose minimum essential coverage (for a reason other than nonpayment of Premiums, termination for cause, or rescission of coverage):
  - ♦ you lose your group health plan coverage (for example, you lose eligibility as a subscriber because you lose your job or your hours are reduced, you lose eligibility as a dependent due to legal separation, divorce, or reaching the age limit for dependent children, or you exhaust COBRA or Cal-COBRA coverage)
  - ♦ you lose eligibility for individual plan coverage, Medicare, Medi-Cal, or other government-sponsored health care program coverage
- You become eligible for membership as a result of a permanent move
- You were recently released from incarceration
- You are an American Indian or Native Alaskan and Covered California determines that you are eligible for a monthly special enrollment period
- Covered California determines that you are entitled to a special enrollment period (for example, Covered California determines that you didn't apply for coverage during the prior open enrollment because you were misinformed that you had minimum essential coverage)
- You were under active care for certain conditions with a provider whose participation in your health plan ended (examples of conditions include: an acute condition, a serious chronic condition, pregnancy, terminal illness, care of newborn, or authorized nonelective surgeries)

To request special enrollment, you must submit an application within 30 days after loss of other coverage. You may be required to provide documentation that you have experienced a qualifying event. If you are requesting enrollment in a plan offered through Covered California, submit your application to Covered California. If you are not requesting enrollment in a plan offered through Covered California, you must submit a Health Plan-approved enrollment application to your Group. Membership becomes effective either on the first day of the next month (for applications that are received by the fifteenth day of a month) or on the first day of the month following the next month (for applications that are received after the fifteenth day of a month).

Note: If you are enrolling as a Subscriber along with at least one eligible Dependent, only one of you must meet one of the requirements stated above.

How to Obtain Services

As a Member, you are selecting our medical care program to provide your health care. You must receive all covered care from Plan Providers inside our Service Area, except as described in the sections listed below for the following Services:

- Authorized referrals as described under "Getting a Referral" in this "How to Obtain Services" section
- Covered Services received outside of your Home Region Service Area as described under "Receiving Care Outside of Your Home Region Service Area" in this "How to Obtain Services" section

- Emergency ambulance Services as described under "Ambulance Services" in the "Benefits" section
- Emergency Services, Post-Stabilization Care, and Out-of-Area Urgent Care as described in the "Emergency Services and Urgent Care" section
- Hospice care as described under "Hospice Care" in the "Benefits" section

Our medical care program gives you access to all of the covered Services you may need, such as routine care with your own personal Plan Physician, hospital Services, laboratory and pharmacy Services, Emergency Services, Urgent Care, and other benefits described in this *EOC*.

Routine Care

If you need the following Services, you should schedule an appointment:

- Preventive Services
- Periodic follow-up care (regularly scheduled follow-up care, such as visits to monitor a chronic condition)
- Other care that is not Urgent Care

To request a non-urgent appointment, you can call your local Plan Facility or request the appointment online. For appointment phone numbers, refer to our Provider Directory or call Member Services. To request an appointment online, go to our website at **kp.org**.

Urgent Care

An Urgent Care need is one that requires prompt medical attention but is not an Emergency Medical Condition. If you think you may need Urgent Care, call the appropriate appointment or advice phone number at a Plan Facility. For phone numbers, refer to our Provider Directory or call Member Services.

For information about Out-of-Area Urgent Care, refer to "Urgent Care" in the "Emergency Services and Urgent Care" section.

Not Sure What Kind of Care You Need?

Sometimes it's difficult to know what kind of care you need, so we have licensed health care professionals available to assist you by phone 24 hours a day, seven days a week. Here are some of the ways they can help you:

- They can answer questions about a health concern, and instruct you on self-care at home if appropriate
- They can advise you about whether you should get medical care, and how and where to get care (for example, if you are not sure whether your condition is an Emergency Medical Condition, they can help you decide whether you need Emergency Services or Urgent Care, and how and where to get that care)
- They can tell you what to do if you need care and a Plan Medical Office is closed or you are outside our Service Area

You can reach one of these licensed health care professionals by calling the appointment or advice phone number (for phone numbers, refer to our Provider Directory or call Member Services). When you call, a trained support person may ask you questions to help determine how to direct your call.

Your Personal Plan Physician

Personal Plan Physicians provide primary care and play an important role in coordinating care, including hospital stays and referrals to specialists.

We encourage you to choose a personal Plan Physician. You may choose any available personal Plan Physician. Parents may choose a pediatrician as the personal Plan Physician for their child. Most personal Plan Physicians are Primary Care Physicians (generalists in internal medicine, pediatrics, or family practice, or specialists in obstetrics/gynecology whom the Medical Group designates as Primary Care Physicians). Some specialists who are not designated as Primary Care Physicians but who also provide primary care may be available as personal Plan Physicians. For example, some specialists in internal medicine and obstetrics/gynecology who are not designated as Primary Care Physicians may be available as personal Plan Physicians. However, if you choose a specialist who is not designated as a Primary Care Physician as your personal Plan Physician, the Cost Share for a Physician Specialist Visit will apply to all visits with the specialist except for routine preventive visits listed under "Preventive Services" in the "Benefits" section.

To learn how to select or change to a different personal Plan Physician, visit our website at **kp.org** or call Member Services. Refer to our Provider Directory for a list of physicians that are available as Primary Care Physicians. The directory is updated periodically. The availability of Primary Care Physicians may change. If

you have questions, please call Member Services. You can change your personal Plan Physician at any time for any reason.

Getting a Referral

Referrals to Plan Providers

A Plan Physician must refer you before you can receive care from specialists, such as specialists in surgery, orthopedics, cardiology, oncology, dermatology, and physical, occupational, and speech therapies. Also, a Plan Physician must refer you before you can get care from Qualified Autism Service Providers covered under "Behavioral Health Treatment for Autism Spectrum Disorder" in the "Benefits" section. However, you do not need a referral or prior authorization to receive most care from any of the following Plan Providers:

- Your personal Plan Physician
- Generalists in internal medicine, pediatrics, and family practice
- Specialists in optometry, mental health Services, substance use disorder treatment, and obstetrics/gynecology

A Plan Physician must refer you before you can get care from a specialist in urology except that you do not need a referral to receive Services related to sexual or reproductive health, such as a vasectomy.

Although a referral or prior authorization is not required to receive most care from these providers, a referral may be required in the following situations:

- The provider may have to get prior authorization for certain Services in accord with "Medical Group authorization procedure for certain referrals" in this "Getting a Referral" section
- The provider may have to refer you to a specialist who has a clinical background related to your illness or condition

Standing referrals

If a Plan Physician refers you to a specialist, the referral will be for a specific treatment plan. Your treatment plan may include a standing referral if ongoing care from the specialist is prescribed. For example, if you have a life-threatening, degenerative, or disabling condition, you can get a standing referral to a specialist if ongoing care from the specialist is required.

Medical Group authorization procedure for certain referrals

The following are examples of Services that require prior authorization by the Medical Group for the Services to be covered ("prior authorization" means that the Medical Group must approve the Services in advance):

- Durable medical equipment
- Ostomy and urological supplies
- Services not available from Plan Providers
- Transplants

Utilization Management ("UM") is a process that determines whether a Service recommended by your treating provider is Medically Necessary for you. Prior authorization is a UM process that determines whether the requested services are Medically Necessary before care is provided. If it is Medically Necessary, then you will receive authorization to obtain that care in a clinically appropriate place consistent with the terms of your health coverage. Decisions regarding requests for authorization will be made only by licensed physicians or other appropriately licensed medical professionals.

For the complete list of Services that require prior authorization, and the criteria that are used to make authorization decisions, please visit our website at **kp.org/UM** or call Member Services to request a printed copy.

Refer to "Post-Stabilization Care" under "Emergency Services" in the "Emergency Services and Urgent Care" section for authorization requirements that apply to Post-Stabilization Care from Non–Plan Providers.

Additional information about prior authorization for durable medical equipment and ostomy and urological supplies

The prior authorization process for durable medical equipment and ostomy and urological supplies includes the use of formulary guidelines. These guidelines were developed by a multidisciplinary clinical and operational work group with review and input from Plan Physicians and medical professionals with clinical expertise. The formulary guidelines are periodically updated to keep pace with changes in medical technology and clinical practice.

If your Plan Physician prescribes one of these items, they will submit a written referral in accord with the UM process described in this "Medical Group authorization procedure for certain referrals" section. If the formulary guidelines do not specify that the prescribed item is appropriate for your medical condition, the referral will be submitted to the Medical Group's designee Plan Physician, who will make an authorization decision as described under "Medical Group's decision time frames" in this "Medical Group authorization procedure for certain referrals" section.

Medical Group's decision time frames
The applicable Medical Group designee will make the authorization decision within the time frame appropriate for your condition, but no later than five business days after receiving all of the information (including additional examination and test results) reasonably necessary to make the decision, except that decisions about urgent Services will be made no later than 72 hours after receipt of the information reasonably necessary to make the decision. If the Medical Group needs more time to make the decision because it doesn't have information reasonably necessary to make the decision, or because it has requested consultation by a particular specialist, you and your treating physician will be informed about the additional information, testing, or specialist that is needed, and the date that the Medical Group expects to make a decision.

Your treating physician will be informed of the decision within 24 hours after the decision is made. If the Services are authorized, your physician will be informed of the scope of the authorized Services. If the Medical Group does not authorize all of the Services, Health Plan will send you a written decision and explanation within two business days after the decision is made. Any written criteria that the Medical Group uses to make the decision to authorize, modify, delay, or deny the request for authorization will be made available to you upon request.

If the Medical Group does not authorize all of the Services requested and you want to appeal the decision, you can file a grievance as described under "Grievances" in the "Dispute Resolution" section.

For these referral Services, you pay the Cost Share required for Services provided by a Plan Provider as described in this *EOC*.

Completion of Services from Non–Plan Providers

New Member
If you are currently receiving Services from a Non–Plan Provider in one of the cases listed below under "Eligibility" and your prior plan's coverage of the provider's Services has ended or will end when your coverage with us becomes effective, you may be eligible for limited coverage of that Non–Plan Provider's Services.

Terminated provider
If you are currently receiving covered Services in one of the cases listed below under "Eligibility" from a Plan Hospital or a Plan Physician (or certain other providers) when our contract with the provider ends (for reasons other than medical disciplinary cause or criminal activity), you may be eligible for limited coverage of that terminated provider's Services.

Eligibility
The cases that are subject to this completion of Services provision are:

- Acute conditions, which are medical conditions that involve a sudden onset of symptoms due to an illness, injury, or other medical problem that requires prompt medical attention and has a limited duration. We may cover these Services until the acute condition ends
- Serious chronic conditions until the earlier of (1) 12 months from your effective date of coverage if you are a new Member, (2) 12 months from the termination date of the terminated provider, or (3) the first day after a course of treatment is complete when it would be safe to transfer your care to a Plan Provider, as determined by Kaiser Permanente after consultation with the Member and Non–Plan Provider and consistent with good professional practice. Serious chronic conditions are illnesses or other medical conditions that are serious, if one of the following is true about the condition:
  - it persists without full cure
  - it worsens over an extended period of time
  - it requires ongoing treatment to maintain remission or prevent deterioration
- Pregnancy and immediate postpartum care. We may cover these Services for the duration of the pregnancy and immediate postpartum care
- Mental health conditions in pregnant Members that occur, or can impact the Member, during pregnancy or during the postpartum period including, but not limited to, postpartum depression. We may cover completion of these Services for up to 12 months from the mental health diagnosis or from the end of pregnancy, whichever occurs later
- Terminal illnesses, which are incurable or irreversible illnesses that have a high probability of causing death within a year or less. We may cover completion of these Services for the duration of the illness
- Children under age 3. We may cover completion of these Services until the earlier of (1) 12 months from the child's effective date of coverage if the child is a new Member, (2) 12 months from the termination date of the terminated provider, or (3) the child's third birthday
- Surgery or another procedure that is documented as part of a course of treatment and has been recommended and documented by the provider to occur within 180 days of your effective date of

coverage if you are a new Member or within 180 days of the termination date of the terminated provider

To qualify for this completion of Services coverage, all of the following requirements must be met:

- Your Health Plan coverage is in effect on the date you receive the Services
- For new Members, your prior plan's coverage of the provider's Services has ended or will end when your coverage with us becomes effective
- You are receiving Services in one of the cases listed above from a Non–Plan Provider on your effective date of coverage if you are a new Member, or from the terminated Plan Provider on the provider's termination date
- For new Members, when you enrolled in Health Plan, you did not have the option to continue with your previous health plan or to choose another plan (including an out-of-network option) that would cover the Services of your current Non–Plan Provider
- The provider agrees to our standard contractual terms and conditions, such as conditions pertaining to payment and to providing Services inside our Service Area (the requirement that the provider agree to providing Services inside our Service Area doesn't apply if you were receiving covered Services from the provider outside our Service Area when the provider's contract terminated)
- The Services to be provided to you would be covered Services under this *EOC* if provided by a Plan Provider
- You request completion of Services within 30 days (or as soon as reasonably possible) from your effective date of coverage if you are a new Member or from the termination date of the Plan Provider

For completion of Services, you pay the Cost Share required for Services provided by a Plan Provider as described in this *EOC*.

More information
For more information about this provision, or to request the Services or a copy of our "Completion of Covered Services" policy, please call Member Services.

Travel and Lodging for Certain Services

The following are examples of when we will arrange or provide reimbursement for certain travel and lodging expenses in accord with our Travel and Lodging Program Description:

- If Medical Group refers you to a provider that is more than 50 miles from where you live for certain specialty Services such as bariatric surgery, complex thoracic surgery, transplant nephrectomy, or inpatient chemotherapy for leukemia and lymphoma
- If Medical Group refers you to a provider that is outside our Service Area for certain specialty Services such as a transplant or transgender surgery
- If you are outside of California and you need an abortion on an emergency or urgent basis, and the abortion can't be obtained in a timely manner due to a near total or total ban on health care providers' ability to provide such Services

For the complete list of specialty Services for which we will arrange or provide reimbursement for travel and lodging expenses, the amount of reimbursement, limitations and exclusions, and how to request reimbursement, refer to the Travel and Lodging Program Description. The Travel and Lodging Program Description is available online at **kp.org/specialty-care/travel-reimbursements** or by calling Member Services.

Second Opinions

If you want a second opinion, you can ask Member Services to help you arrange one with a Plan Physician who is an appropriately qualified medical professional for your condition. If there isn't a Plan Physician who is an appropriately qualified medical professional for your condition, Member Services will help you arrange a consultation with a Non–Plan Physician for a second opinion. For purposes of this "Second Opinions" provision, an "appropriately qualified medical professional" is a physician who is acting within their scope of practice and who possesses a clinical background, including training and expertise, related to the illness or condition associated with the request for a second medical opinion.

Here are some examples of when a second opinion may be provided or authorized:

- Your Plan Physician has recommended a procedure and you are unsure about whether the procedure is reasonable or necessary
- You question a diagnosis or plan of care for a condition that threatens substantial impairment or loss of life, limb, or bodily functions
- The clinical indications are not clear or are complex and confusing

- A diagnosis is in doubt due to conflicting test results
- The Plan Physician is unable to diagnose the condition
- The treatment plan in progress is not improving your medical condition within an appropriate period of time, given the diagnosis and plan of care
- You have concerns about the diagnosis or plan of care

An authorization or denial of your request for a second opinion will be provided in an expeditious manner, as appropriate for your condition. If your request for a second opinion is denied, you will be notified in writing of the reasons for the denial and of your right to file a grievance as described under "Grievances" in the "Dispute Resolution" section.

For these referral Services, you pay the Cost Share required for Services provided by a Plan Provider as described in this *EOC*.

Contracts with Plan Providers

How Plan Providers are paid

Health Plan and Plan Providers are independent contractors. Plan Providers are paid in a number of ways, such as salary, capitation, per diem rates, case rates, fee for service, and incentive payments. To learn more about how Plan Physicians are paid to provide or arrange medical and hospital Services for Members, please visit our website at **kp.org** or call Member Services.

Financial liability

Our contracts with Plan Providers provide that you are not liable for any amounts we owe. However, you may have to pay the full price of noncovered Services you obtain from Plan Providers or Non–Plan Providers.

When you are referred to a Plan Provider for covered Services, you pay the Cost Share required for Services from that provider as described in this *EOC*.

Termination of a Plan Provider's contract

If our contract with any Plan Provider terminates while you are under the care of that provider, we will retain financial responsibility for the covered Services you receive from that provider until we make arrangements for the Services to be provided by another Plan Provider and notify you of the arrangements. You may be eligible to receive Services from a terminated provider; refer to "Completion of Services from Non–Plan Providers" under "Getting a Referral" in this "How to Obtain Services" section.

Provider groups and hospitals

If you are assigned to a provider group or hospital whose contract with us terminates, or if you live within 15 miles of a hospital whose contract with us terminates, we will give you written notice at least 60 days before the termination (or as soon as reasonably possible).

Receiving Care Outside of Your Home Region Service Area

For information about your coverage when you are away from home, visit our website at **kp.org/travel**. You can also call the Away from Home Travel Line at **1-951-268-3900** 24 hours a day, seven days a week (except closed holidays).

Receiving care in another Kaiser Permanente service area

If you are visiting in another Kaiser Permanente service area, you may receive certain covered Services from designated providers in that other Kaiser Permanente service area, subject to exclusions, limitations, prior authorization or approval requirements, and reductions. For more information about receiving covered Services in another Kaiser Permanente service area, including provider and facility locations, please visit **kp.org/travel** or call our Away from Home Travel Line at **1-951-268-3900** 24 hours a day, seven days a week (except closed holidays).

For covered Services you receive in another Kaiser Permanente service area, you pay the Cost Share required for Services provided by a Plan Provider inside our Service Area as described in this *EOC*.

Receiving care outside of any Kaiser Permanente service area

If you are traveling outside of any Kaiser Permanente service area, we cover Emergency Services and Urgent Care as described in the "Emergency Services and Urgent Care" section.

Your ID Card

Each Member's Kaiser Permanente ID card has a medical record number on it, which you will need when you call for advice, make an appointment, or go to a provider for covered care. When you get care, please bring your ID card and a photo ID. Your medical record number is used to identify your medical records and membership information. Your medical record number should never change. Please call Member Services if we ever inadvertently issue you more than one medical record number or if you need to replace your ID card.

Your ID card is for identification only. To receive covered Services, you must be a current Member. Anyone who is not a Member will be billed as a non-Member for any Services they receive. If you let someone else use your ID card, we may keep your ID card and terminate your membership as described under "Termination for Cause" in the "Termination of Membership" section.

Timely Access to Care

Standards for appointment availability

The California Department of Managed Health Care ("DMHC") developed the following standards for appointment availability. This information can help you know what to expect when you request an appointment.

- Urgent care appointment: within 48 hours
- Routine (non-urgent) primary care appointment (including adult/internal medicine, pediatrics, and family medicine): within 10 business days
- Routine (non-urgent) specialty care appointment with a physician: within 15 business days
- Routine (non-urgent) mental health care or substance use disorder treatment appointment with a practitioner other than a physician: within 10 business days
- Follow-up (non-urgent) mental health care or substance use disorder treatment appointment with a practitioner other than a physician, for those undergoing a course of treatment for an ongoing mental health or substance use disorder condition: within 10 business days

If you prefer to wait for a later appointment that will better fit your schedule or to see the Plan Provider of your choice, we will respect your preference. In some cases, your wait may be longer than the time listed if a licensed health care professional decides that a later appointment won't have a negative effect on your health.

The standards for appointment availability do not apply to Preventive Services. Your Plan Provider may recommend a specific schedule for Preventive Services, depending on your needs. Except as specified above for mental health care and substance use disorder treatment, the standards also do not apply to periodic follow-up care for ongoing conditions or standing referrals to specialists.

Timely access to telephone assistance

DMHC developed the following standards for answering telephone questions:

- For telephone advice about whether you need to get care and where to get care: within 30 minutes, 24 hours a day, seven days a week
- For general questions: within 10 minutes during normal business hours

Interpreter services

If you need interpreter services when you call us or when you get covered Services, please let us know. Interpreter services, including sign language, are available during all business hours at no cost to you. For more information on the interpreter services we offer, please call Member Services.

Getting Assistance

We want you to be satisfied with the health care you receive from Kaiser Permanente. If you have any questions or concerns, please discuss them with your personal Plan Physician or with other Plan Providers who are treating you. They are committed to your satisfaction and want to help you with your questions.

Member Services

Cost Share estimates

For information about estimates, see "Getting an estimate of your Cost Share" under "Your Cost Share" in the "Benefits" section.

Plan Facilities

Plan Medical Offices and Plan Hospitals are listed in the Provider Directory for your Home Region. The directory describes the types of covered Services that are available from each Plan Facility, because some facilities provide only specific types of covered Services. This directory is available on our website at **kp.org/facilities**. To obtain a printed copy, call Member Services. The directory is updated periodically. The availability of Plan Facilities may change. If you have questions, please call Member Services.

At most of our Plan Facilities, you can usually receive all of the covered Services you need, including specialty care, pharmacy, and lab work. You are not restricted to a particular Plan Facility, and we encourage you to use the facility that will be most convenient for you:

- All Plan Hospitals provide inpatient Services and are open 24 hours a day, seven days a week
- Emergency Services are available from Plan Hospital emergency departments (for emergency department locations, refer to our Provider Directory or call Member Services)
- Same-day Urgent Care appointments are available at many locations (for Urgent Care locations, refer to our Provider Directory or call Member Services)
- Many Plan Medical Offices have evening and weekend appointments
- Many Plan Facilities have a Member Services office (for locations, refer to our Provider Directory or call Member Services)

Note: State law requires evidence of coverage documents to include the following notice:

Some hospitals and other providers do not provide one or more of the following services that may be covered under your plan contract and that you or your family member might need: family planning; contraceptive services, including emergency contraception; sterilization, including tubal ligation at the time of labor and delivery; infertility treatments; or abortion. You should obtain more information before you enroll. Call your prospective doctor, medical group, independent practice association, or clinic, or call Kaiser Permanente Member Services, to ensure that you can obtain the health care services that you need.

Please be aware that if a Service is covered but not available at a particular Plan Facility, we will make it available to you at another facility.

Emergency Services and Urgent Care

Emergency Services

If you have an Emergency Medical Condition, call 911 (where available) or go to the nearest emergency department. You do not need prior authorization for Emergency Services. When you have an Emergency Medical Condition, we cover Emergency Services you receive from Plan Providers or Non–Plan Providers anywhere in the world.

Emergency Services are available from Plan Hospital emergency departments 24 hours a day, seven days a week.

Post-Stabilization Care

When you receive Post-Stabilization Care from a Non-Plan Provider inside of California, or from a Cigna PPO Network facility outside of a Kaiser Permanente State

When you receive Emergency Services, we cover Post-Stabilization Care from a Non–Plan Provider only if prior authorization for the care is obtained as described below, or if otherwise required by applicable law ("prior authorization" means that the Services must be approved in advance).

- **Post-Stabilization Care authorization at a Cigna PPO Network facility outside of a Kaiser Permanente State:** If you are outside of a Kaiser Permanente state and you were treated at a Cigna PPO Network facility for an Emergency Medical Condition, Cigna Payer Solutions is responsible for authorizing any Post-Stabilization Care.
- **Post-Stabilization Care authorization from other Non-Plan Providers (including Cigna PPO Network facilities inside a Kaiser Permanente State):** To request prior authorization, the Non–Plan

Provider must call **1-800-225-8883** or the notification phone number on your Kaiser Permanente ID card *before* you receive the care. We will discuss your condition with the Non–Plan Provider. If we determine that you require Post-Stabilization Care and that this care is part of your covered benefits, we will authorize your care from the Non–Plan Provider or arrange to have a Plan Provider (or other designated provider) provide the care. If we decide to have a Plan Hospital, Plan Skilled Nursing Facility, or designated Non–Plan Provider provide your care, we may authorize special transportation services that are medically required to get you to the provider. This may include transportation that is otherwise not covered.

Be sure to ask the Non–Plan Provider to tell you what care (including any transportation) we have authorized because we will not cover Post-Stabilization Care or related transportation provided by Non–Plan Providers that has not been authorized. If you receive care from a Non–Plan Provider that we have not authorized, you may have to pay the full cost of that care. If you are admitted to a Non–Plan Hospital or independent freestanding emergency department, please notify us as soon as possible by calling **1-800-225-8883** or the notification phone number on your ID card.

When you receive Post-Stabilization Care from a Non-Plan Provider that is not a Cigna PPO Network provider outside of California

After you receive Emergency Services from non-Plan Providers and your condition is Stabilized, Post-Stabilization Care is considered Emergency Services under federal law if either of the following are true:

- Your treating physician determines that you are not able to travel using nonemergency transportation to an available Plan Provider located within a reasonable travel distance, taking into account your medical condition; or
- Your treating physician, using appropriate medical judgment, determines that you are not in a condition to receive, and/or to provide consent to, the Non-Plan Provider's notice and consent form, in accordance with applicable state informed consent law

If the Post-Stabilization Care is considered Emergency Services under the criteria above, prior authorization for Post-Stabilization Care at a Non-Plan Provider will not be required.

If the Post-Stabilization Care is not considered Emergency Services, the Services are not covered unless you have received prior authorization from Health Plan as described under "Post-Stabilization Care authorization from other Non-Plan Providers (including Cigna PPO Network facilities inside a Kaiser Permanente State)" above. Non-Plan Providers outside of California may provide notice and seek your consent to waive your balance billing protections under the federal No Surprises Act, if such consent is permissible under applicable state informed consent law. If you consent to waive your balance billing protections and receive Services from the Non-Plan Provider, you will have to pay the full cost of the Services.

Your Cost Share

Your Cost Share for covered Emergency Services and Post-Stabilization Care is described in the "Cost Share Summary" section of this *EOC*. Your Cost Share is the same whether you receive the Services from a Plan Provider or a Non–Plan Provider. For example:

- If you receive Emergency Services in the emergency department of a Non–Plan Hospital, you pay the Cost Share for an emergency department visit as described in the "Cost Share Summary" under "Emergency Services and Urgent Care"
- If we gave prior authorization for inpatient Post-Stabilization Care in a Non–Plan Hospital, you pay the Cost Share for hospital inpatient Services as described in the "Cost Share Summary" under "Hospital inpatient Services"
- If we gave prior authorization for durable medical equipment after discharge from a Non–Plan Hospital, you pay the Cost Share for durable medical equipment as described in the "Cost Share Summary" under "Durable Medical Equipment ("DME") for home use"

Urgent Care

Inside our Service Area

An Urgent Care need is one that requires prompt medical attention but is not an Emergency Medical Condition. If you think you may need Urgent Care, call the appropriate appointment or advice phone number at a Plan Facility. For appointment and advice phone numbers, refer to our Provider Directory or call Member Services.

Out-of-Area Urgent Care

If you need Urgent Care due to an unforeseen illness, unforeseen injury, or unforeseen complication of an existing condition (including pregnancy), we cover Medically Necessary Services to prevent serious deterioration of your (or your unborn child's) health from a Non–Plan Provider if all of the following are true:

- You receive the Services from Non–Plan Providers while you are temporarily outside our Service Area
- A reasonable person would have believed that your (or your unborn child's) health would seriously deteriorate if you delayed treatment until you returned to our Service Area

You do not need prior authorization for Out-of-Area Urgent Care. We cover Out-of-Area Urgent Care you receive from Non–Plan Providers if the Services would have been covered under this *EOC* if you had received them from Plan Providers.

To obtain follow-up care from a Plan Provider, call the appointment or advice phone number at a Plan Facility. For phone numbers, refer to our Provider Directory or call Member Services. We do not cover follow-up care from Non–Plan Providers after you no longer need Urgent Care, except for durable medical equipment covered under this *EOC*. For more information about durable medical equipment covered under this *EOC*, see "Durable Medical Equipment ("DME") for Home Use" in the "Benefits" section. If you require durable medical equipment related to your Urgent Care after receiving Out-of-Area Urgent Care, your provider must obtain prior authorization as described under "Getting a Referral" in the "How to Obtain Services" section.

Your Cost Share

Your Cost Share for covered Urgent Care is the Cost Share required for Services provided by Plan Providers as described in the "Cost Share Summary" section of this *EOC*. For example:

- If you receive an Urgent Care evaluation as part of covered Out-of-Area Urgent Care from a Non–Plan Provider, you pay the Cost Share for Urgent Care consultations, evaluations, and treatment as described in the "Cost Share Summary" under "Emergency Services and Urgent Care"
- If the Out-of-Area Urgent Care you receive includes an X-ray, you pay the Cost Share for an X-ray as described in the "Cost Share Summary" under "Outpatient imaging, laboratory, and other diagnostic and treatment Services," in addition to the Cost Share for the Urgent Care evaluation
- If we gave prior authorization for durable medical equipment provided as part of Out-of-Area Urgent Care, you pay the Cost Share for durable medical equipment as described in the "Cost Share Summary" under "Durable Medical Equipment ("DME") for home use"

Note: If you receive Urgent Care in an emergency department, you pay the Cost Share for an emergency department visit as described in the "Cost Share Summary" under "Emergency Services and Urgent Care."

Payment and Reimbursement

If you receive Emergency Services, Post-Stabilization Care, or Out-of-Area Urgent Care from a Non–Plan Provider as described in this "Emergency Services and Urgent Care" section, or emergency ambulance Services described under "Ambulance Services" in the "Benefits" section, you are not responsible for any amounts beyond your Cost Share for covered Services. However, if the provider does not agree to bill us, you may have to pay for the Services and file a claim for reimbursement. Also, you may be required to pay and file a claim for any Services prescribed by a Non–Plan Provider as part of covered Emergency Services, Post-Stabilization Care, and Out-of-Area Urgent Care even if you receive the Services from a Plan Provider, such as a Plan Pharmacy.

For information on how to file a claim, please see the "Post-Service Claims and Appeals" section.

Benefits

This section describes the Services that are covered under this *EOC*.

Services are covered under this *EOC* as specifically described in this *EOC*. Services that are not specifically described in this *EOC* are not covered, except as required by state or federal law. Except as otherwise described in this *EOC*, all of the following conditions must be satisfied:

- You are a Member on the date that you receive the Services
- The Services are Medically Necessary
- The Services are one of the following:
  - Preventive Services
  - health care items and services for diagnosis, assessment, or treatment
  - health education covered under "Health Education" in this "Benefits" section

  - covered Services received outside of your Home Region Service Area, as described under

"Receiving Care Outside of Your Home Region Service Area" in the "How to Obtain Services" section

    - emergency ambulance Services, as described under "Ambulance Services" below
    - Emergency Services, Post-Stabilization Care, and Out-of-Area Urgent Care, as described in the "Emergency Services and Urgent Care" section
    - hospice care, as described under "Hospice Care" below
- The Medical Group has given prior authorization for the Services, if required, as described under "Medical Group authorization procedure for certain referrals" in the "How to Obtain Services" section

Please also refer to:

- The "Emergency Services and Urgent Care" section for information about how to obtain covered Emergency Services, Post-Stabilization Care, and Out-of-Area Urgent Care
- Our Provider Directory for the types of covered Services that are available from each Plan Facility, because some facilities provide only specific types of covered Services

Your Cost Share

Your Cost Share is the amount you are required to pay for covered Services. For example, your Cost Share may be a Copayment or Coinsurance.

If your coverage includes a Plan Deductible and you receive Services that are subject to the Plan Deductible, your Cost Share for those Services will be Charges until you reach the Plan Deductible. Similarly, if your coverage includes a Drug Deductible, and you receive Services that are subject to the Drug Deductible, your Cost Share for those Services will be Charges until you reach the Drug Deductible.

Refer to the "Cost Share Summary" section of this *EOC* for the amount you will pay for Services.

General rules, examples, and exceptions

Your Cost Share for covered Services will be the Cost Share in effect on the date you receive the Services, except as follows:

- If you are receiving covered hospital inpatient or Skilled Nursing Facility Services on the effective date of this *EOC*, you pay the Cost Share in effect on your admission date until you are discharged if the Services were covered under your prior Health Plan evidence of coverage and there has been no break in coverage. However, if the Services were not covered under your prior Health Plan evidence of coverage, or if there has been a break in coverage, you pay the Cost Share in effect on the date you receive the Services
- For items ordered in advance, you pay the Cost Share in effect on the order date (although we will not cover the item unless you still have coverage for it on the date you receive it) and you may be required to pay the Cost Share when the item is ordered. For outpatient prescription drugs, the order date is the date that the pharmacy processes the order after receiving all of the information they need to fill the prescription

Cost Share for Services received by newborn children of a Member

During the 31 days of automatic coverage for newborn children described under "If you have a baby" under "Who Is Eligible" in the "Premiums, Eligibility, and Enrollment" section, the parent or guardian of the newborn must pay the Cost Share indicated in the "Cost Share Summary" section of this *EOC* for any Services that the newborn receives, whether or not the newborn is enrolled. When the "Cost Share Summary" indicates the Services are subject to the Plan Deductible, the Cost Share for those Services will be Charges if the newborn has not met the Plan Deductible.

Payment toward your Cost Share (and when you may be billed)

In most cases, your provider will ask you to make a payment toward your Cost Share at the time you receive

Services. If you receive more than one type of Services (such as a routine physical maintenance exam and laboratory tests), you may be required to pay separate Cost Share for each of those Services. Keep in mind that your payment toward your Cost Share may cover only a portion of your total Cost Share for the Services you receive, and you will be billed for any additional amounts that are due. The following are examples of when you may be asked to pay (or you may be billed for) Cost Share amounts in addition to the amount you pay at check-in:

- You receive non-preventive Services during a preventive visit. For example, you go in for a routine physical maintenance exam, and at check-in you pay your Cost Share for the preventive exam (your Cost Share may be "no charge"). However, during your preventive exam your provider finds a problem with your health and orders non-preventive Services to diagnose your problem (such as laboratory tests). You may be asked to pay (or you will be billed for) your Cost Share for these additional non-preventive diagnostic Services
- You receive diagnostic Services during a treatment visit. For example, you go in for treatment of an existing health condition, and at check-in you pay your Cost Share for a treatment visit. However, during the visit your provider finds a new problem with your health and performs or orders diagnostic Services (such as laboratory tests). You may be asked to pay (or you will be billed for) your Cost Share for these additional diagnostic Services
- You receive treatment Services during a diagnostic visit. For example, you go in for a diagnostic exam, and at check-in you pay your Cost Share for a diagnostic exam. However, during the diagnostic exam your provider confirms a problem with your health and performs treatment Services (such as an outpatient procedure). You may be asked to pay (or you will be billed for) your Cost Share for these additional treatment Services
- You receive Services from a second provider during your visit. For example, you go in for a diagnostic exam, and at check-in you pay your Cost Share for a diagnostic exam. However, during the diagnostic exam your provider requests a consultation with a specialist. You may be asked to pay (or you will be billed for) your Cost Share for the consultation with the specialist

In some cases, your provider will not ask you to make a payment at the time you receive Services, and you will be billed for your Cost Share (for example, some Laboratory Departments are not able to collect Cost Share, or your Plan Provider is not able to collect Cost Share, if any, for Telehealth Visits you receive at home).

When we send you a bill, it will list Charges for the Services you received, payments and credits applied to your account, and any amounts you still owe. Your current bill may not always reflect your most recent Charges and payments. Any Charges and payments that are not on the current bill will appear on a future bill. Sometimes, you may see a payment but not the related Charges for Services. That could be because your payment was recorded before the Charges for the Services were processed. If so, the Charges will appear on a future bill. Also, you may receive more than one bill for a single outpatient visit or inpatient stay. For example, you may receive a bill for physician services and a separate bill for hospital services. If you don't see all the Charges for Services on one bill, they will appear on a future bill. If we determine that you overpaid and are due a refund, then we will send a refund to you within four weeks after we make that determination. If you have questions about a bill, please call the phone number on the bill.

In some cases, a Non–Plan Provider may be involved in the provision of covered Services at a Plan Facility or a contracted facility where we have authorized you to receive care. You are not responsible for any amounts beyond your Cost Share for the covered Services you receive at Plan Facilities or at contracted facilities where we have authorized you to receive care. However, if the provider does not agree to bill us, you may have to pay for the Services and file a claim for reimbursement. For information on how to file a claim, please see the "Post-Service Claims and Appeals" section.

Please refer to the "Emergency Services and Urgent Care" section for more information about when you may be billed for Emergency Services, Post-Stabilization Care, and Out-of-Area Urgent Care.

Primary Care Visits, Non-Physician Specialist Visits, and Physician Specialist Visits

The Cost Share for a Primary Care Visit applies to evaluations and treatment provided by generalists in internal medicine, pediatrics, or family practice, and by specialists in obstetrics/gynecology whom the Medical Group designates as Primary Care Physicians. Some physician specialists provide primary care in addition to specialty care but are not designated as Primary Care Physicians. If you receive Services from one of these specialists, the Cost Share for a Physician Specialist Visit will apply to all consultations, evaluations, and treatment provided by the specialist except for routine preventive counseling and exams listed under "Preventive Services" in this "Benefits" section. For example, if your personal

Plan Physician is a specialist in internal medicine or obstetrics/gynecology who is not a Primary Care Physician, you will pay the Cost Share for a Physician Specialist Visit for all consultations, evaluations, and treatment by the specialist except routine preventive counseling and exams listed under "Preventive Services" in this "Benefits" section. The Non-Physician Specialist Visit Cost Share applies to consultations, evaluations, and treatment provided by non-physician specialists (such as nurse practitioners, physician assistants, optometrists, podiatrists, and audiologists).

Noncovered Services
If you receive Services that are not covered under this *EOC*, you may have to pay the full price of those Services. Payments you make for noncovered Services do not apply to any deductible or out-of-pocket maximum.

Benefit limits
Some benefits may include a limit on the number of visits, days, treatment cycles, or dollar amount that will be covered under your plan during a specified time period. If a benefit includes a limit, this will be indicated in the "Cost Share Summary" section of this *EOC*. The time period associated with a benefit limit may not be the same as the term of this *EOC*. We will count all Services you receive during the benefit limit period toward the benefit limit, including Services you received under a prior Health Plan *EOC* (as long as you have continuous coverage with Health Plan). Note: We will not count Services you received under a prior Health Plan *EOC* when you first enroll in individual plan coverage or a new employer group's plan, when you move from group to individual plan coverage (or vice versa), or when you received Services under a Kaiser Permanente Senior Advantage evidence of coverage. If you are enrolled in the Kaiser Permanente POS Plan, refer to your KPIC *Certificate of Insurance* and *Schedule of Coverage* for benefit limits that apply to your separate indemnity coverage provided by the Kaiser Permanente Insurance Company ("KPIC").

Getting an estimate of your Cost Share

If you have questions about the Cost Share for specific Services that you expect to receive or that your provider orders during a visit or procedure, please visit our website at **kp.org/memberestimates** to use our cost estimate tool or call Member Services.

- If you have a Plan Deductible and would like an estimate for Services that are subject to the Plan Deductible, please call **1-800-390-3507** (TTY users call **711**) Monday through Friday 6 a.m. to 5 p.m. Refer to the "Cost Share Summary" section of this *EOC* to find out if you have a Plan Deductible
- For all other Cost Share estimates, please call **1-800-464-4000** (TTY users call **711**) 24 hours a day, seven days a week (except closed holidays)

Cost Share estimates are based on your benefits and the Services you expect to receive. They are a prediction of cost and not a guarantee of the final cost of Services. Your final cost may be higher or lower than the estimate since not everything about your care can be known in advance.

Drug Deductible

This *EOC* does not include a Drug Deductible.

Plan Deductible

This *EOC* does not include a Plan Deductible.

Copayments and Coinsurance

The Copayment or Coinsurance you must pay for each covered Service, after you meet any applicable deductible, is described in this *EOC*.

Note: If Charges for Services are less than the Copayment described in this *EOC*, you will pay the lesser amount, subject to any applicable deductible or out-of-pocket maximum.

Plan Out-of-Pocket Maximum

There is a limit to the total amount of Cost Share you must pay under this *EOC* in the Accumulation Period for covered Services that you receive in the same Accumulation Period. The Services that apply to the Plan Out-of-Pocket Maximum are described under the "Payments that count toward the Plan Out-of-Pocket Maximum" section below. Refer to the "Cost Share Summary" section of this *EOC* for your applicable Plan Out-of-Pocket Maximum amounts.

If you are a Member in a Family of two or more Members, you reach the Plan Out-of-Pocket Maximum either when you reach the maximum for any one Member, or when your Family reaches the Family maximum. For example, suppose you have reached the Plan Out-of-Pocket Maximum for any one Member. For Services subject to the Plan Out-of-Pocket Maximum, you will not pay any more Cost Share during the remainder of the Accumulation Period, but every other Member in your Family must continue to pay Cost Share during the remainder of the Accumulation Period until either they reach the maximum for any one Member or your Family reaches the Family maximum.

Payments that count toward the Plan Out-of-Pocket Maximum

Any payments you make toward the Plan Deductible or Drug Deductible, if applicable, apply toward the maximum.

Most Copayments and Coinsurance you pay for covered Services apply to the maximum, however some may not. To find out whether a Copayment or Coinsurance for a covered Service will apply to the maximum refer to the "Cost Share Summary" section of this *EOC*.

If your plan includes pediatric dental Services described in a Pediatric Dental Services Amendment to this *EOC*, those Services will apply toward the maximum. Accrual toward deductibles and out-of-pocket maximums

To see how close you are to reaching your deductibles, if any, and out-of-pocket maximums, use our online Out-of-Pocket Summary tool at **kp.org** or call Member Services. We will provide you with accrual balance information for every month that you receive Services until you reach your individual out-of-pocket maximums or your Family reaches the Family out-of-pocket maximums.

We will provide accrual balance information by mail unless you have opted to receive notices electronically. You can change your document delivery preferences at any time at **kp.org** or by calling Member Services.

- You reasonably believed that the medical condition was an Emergency Medical Condition which required ambulance Services
- Your treating physician determines that you must be transported to another facility because your Emergency Medical Condition is not Stabilized and the care you need is not available at the treating facility

If you receive emergency ambulance Services that are not ordered by a Plan Provider, you are not responsible for any amounts beyond your Cost Share for covered emergency ambulance Services. However, if the provider does not agree to bill us, you may have to pay for the Services and file a claim for reimbursement. For information on how to file a claim, please see the "Post-Service Claims and Appeals" section.

Inside our Service Area, we cover nonemergency ambulance and psychiatric transport van Services if a Plan Physician determines that your condition requires the use of Services that only a licensed ambulance (or psychiatric transport van) can provide and that the use of other means of transportation would endanger your health. These Services are covered only when the vehicle transports you to or from covered Services.

For DME covered under the "Supplemental DME items" section (including repair and replacement of covered equipment), there is a benefit limit per Member per Accumulation Period.   - Dentists if the drug is for dental care

How to obtain covered items

You must obtain covered items at a Plan Pharmacy or through our mail-order service unless you obtain the item as part of covered Emergency Services, Post-Stabilization Care, or Out-of-Area Urgent Care described in the "Emergency Services and Urgent Care" section.

For the locations of Plan Pharmacies, refer to our Provider Directory or call Member Services.

Refills

You may be able to order refills at a Plan Pharmacy, through our mail-order service, or through our website at **kp.org/rxrefill**. A Plan Pharmacy can give you more information about obtaining refills, including the options available to you for obtaining refills. For example, a few Plan Pharmacies don't dispense refills and not all drugs can be mailed through our mail-order service. Please check with a Plan Pharmacy if you have a question about whether your prescription can be mailed or obtained at a Plan Pharmacy. Items available through our mail-order service are subject to change at any time without notice.

Day supply limit

The prescribing physician or dentist determines how much of a drug, supply, item, or supplement to prescribe. For purposes of day supply coverage limits, Plan Physicians determine the amount of an item that constitutes a Medically Necessary 30- or 100-day supply (or 365-day supply if the item is a hormonal contraceptive) for you. Upon payment of the Cost Share specified in the "Outpatient prescription drugs, supplies, and supplements" section of the "Cost Share Summary," you will receive the supply prescribed up to the day supply limit specified in this section or in the drug formulary for your plan (see "About the drug formulary" below). The maximum you may receive at one time of a covered item, other than a hormonal contraceptive, is either one 30-day supply in a 30-day period or one 100-day supply in a 100-day period. If you wish to receive more than the covered day supply limit, then you must pay Charges for any prescribed quantities that exceed the day supply limit.

If your plan includes coverage for hormonal contraceptives, the maximum you may receive at one time of contraceptive drugs is a 365-day supply. To obtain a 365-day supply, talk to your prescribing provider. Refer to the "Cost Share Summary" section of this *EOC* to find out if your plan includes coverage for hormonal contraceptives.

If your plan includes coverage for sexual dysfunction drugs, the maximum you may receive at one time of episodic drugs prescribed for the treatment of sexual dysfunction disorders is eight doses in any 30-day period or up to 27 doses in any 100-day period. Refer to the "Cost Share Summary" section of this *EOC* to find out if your plan includes coverage for sexual dysfunction drugs.

The pharmacy may reduce the day supply dispensed at the Cost Share specified in the "Outpatient prescription drugs, supplies, and supplements" section of the "Cost Share Summary" for any drug to a 30-day supply in any 30-day period if the pharmacy determines that the item is in limited supply in the market or for specific drugs (your Plan Pharmacy can tell you if a drug you take is one of these drugs).

About the drug formulary

The drug formulary includes a list of drugs that our Pharmacy and Therapeutics Committee has approved for our Members. Our Pharmacy and Therapeutics Committee, which is primarily composed of Plan Physicians and pharmacists, selects drugs for the drug formulary based on several factors, including safety and effectiveness as determined from a review of medical literature. The drug formulary is updated monthly based on new information or new drugs that become available. To find out which drugs are on the formulary for your plan, please refer to the California Marketplace formulary on our website at **kp.org/formulary**. The formulary also discloses requirements or limitations that apply to specific drugs, such as whether there is a limit on the amount of the drug that can be dispensed and whether the drug must be obtained at certain specialty pharmacies. If you would like to request a copy of this drug formulary, please call Member Services. Note: The presence of a drug on the drug formulary does not necessarily mean that it will be prescribed for a particular medical condition.

Formulary exception process

Drug formulary guidelines allow you to obtain a non-formulary prescription drug (those not listed on our drug formulary for your condition) if it would otherwise be covered by your plan, as described above, and it is Medically Necessary. If you disagree with a Health Plan determination that a non-formulary prescription drug is not covered, you may file a grievance as described in the "Dispute Resolution" section.

Continuity drugs

If this *EOC* is amended to exclude a drug that we have been covering and providing to you under this *EOC*, we will continue to provide the drug if a prescription is required by law and a Plan Physician continues to prescribe the drug for the same condition and for a use approved by the Federal Food and Drug Administration.

About drug tiers

Drugs on the drug formulary for your plan are categorized into tiers as described in the table below (the formulary doesn't have a Tier 3). Refer to "About the drug formulary" above for details about the formulary for your plan. Your Cost Share for covered items may vary based on the tier. Refer to "Outpatient prescription drugs, supplies, and supplements" in the "Cost Share Summary" section of this *EOC* for Cost Share for items covered under this section. Refer to the formulary for the definition of "generic drug" and "brand-name drug."

Drug Tier	Description
Tier 1	Most generic drugs, supplies and supplements (also includes certain brand-name drugs, supplies, and supplements)
Tier 2	Most brand-name drugs, supplies, and supplements (also includes certain generic drugs, supplies, and supplements)
Tier 4	High-cost brand-name or generic drugs, supplies, and supplements

When a drug is not on the formulary, you pay the same Cost Share as you would for a formulary drug, when approved through the formulary exception process described above (your Plan Pharmacy will tell you which drug tier Cost Share applies).

General rules about coverage and your Cost Share

We cover the following outpatient drugs, supplies, and supplements as described in this "Outpatient Prescription Drugs, Supplies, and Supplements" section:

- Drugs for which a prescription is required by law. We also cover certain over-the-counter drugs and items (drugs and items that do not require a prescription by law) if they are listed on our drug formulary and prescribed by a Plan Physician, except a prescription is not required for over-the-counter contraceptives
- Disposable needles and syringes needed for injecting covered drugs and supplements
- Inhaler spacers needed to inhale covered drugs

Note:

- If Charges for the drug, supply, or supplement are less than the Copayment, you will pay the lesser amount, subject to any applicable deductible or out-of-pocket maximum
- Items can change tier at any time, in accord with formulary guidelines, which may impact your Cost Share (for example, if a brand-name drug is added to the specialty drug list, you will pay the Cost Share that applies to drugs on the specialty drugs tier (Tier 4), not the Cost Share for drugs on the brand drugs tier (Tier 2))

Schedule II drugs

You or the prescribing provider can request that the pharmacy dispense less than the prescribed amount of a covered oral, solid dosage form of a Schedule II drug (your Plan Pharmacy can tell you if a drug you take is one of these drugs). Your Cost Share will be prorated based on the amount of the drug that is dispensed. If the pharmacy does not prorate your Cost Share, we will send you a refund for the difference.

Mail-order service

Prescription refills can be mailed within 3 to 5 days at no extra cost for standard U.S. postage. The appropriate Cost Share (according to your drug coverage) will apply and must be charged to a valid credit card.

You may request mail-order service in the following ways:

- To order online, visit **kp.org/rxrefill** (you can register for a secure account at **kp.org/registernow**) or use the KP app from your smartphone or other mobile device
- Call the pharmacy phone number highlighted on your prescription label and select the mail delivery option

- On your next visit to a Kaiser Permanente pharmacy, ask our staff how you can have your prescriptions mailed to you

Note: Restrictions and limitations apply. For example, not all drugs can be mailed and we cannot mail drugs to all states.

Manufacturer coupon program

For outpatient prescription drugs or items that are covered under this "Outpatient Prescription Drugs, Supplies, and Supplements" section and obtained at a Plan Pharmacy, you may be able to use approved manufacturer coupons as payment for the Cost Share that you owe, as allowed under Health Plan's coupon program. You will owe any additional amount if the coupon does not cover the entire amount of your Cost Share for your prescription. When you use an approved coupon for payment of your Cost Share, the coupon amount and any additional payment that you make will accumulate to your out-of-pocket maximum if applicable. Refer to the "Cost Share Summary" section of this *EOC* to find your applicable out-of-pocket maximum amount and to learn which drugs and items apply to the maximum. Certain health plan coverages are not eligible for coupons. You can get more information regarding the Kaiser Permanente coupon program rules and limitations at **kp.org/rxcoupons**.

These Services must be directly related to a covered transplant for you, which may include certain Services for harvesting the organ, tissue, or bone marrow and for treatment of complications. Please call Member Services for questions about donor Services

For covered transplant Services that you receive, you will pay the Cost Share you would pay if the Services were not related to a transplant. For example, see "Hospital inpatient Services" in the "Cost Share

Limitations

We will make a good faith effort to provide or arrange for covered Services within the remaining availability of facilities or personnel in the event of unusual circumstances that delay or render impractical the provision of Services under this *EOC*, such as a major disaster, epidemic, war, riot, civil insurrection, disability of a large share of personnel at a Plan Facility, complete or partial destruction of facilities, and labor dispute. Under these circumstances, if you have an Emergency Medical Condition, call 911 or go to the nearest emergency department as described under "Emergency Services" in the "Emergency Services and Urgent Care" section, and we will provide coverage and reimbursement as described in that section.

Coordination of Benefits

The Services covered under this *EOC* are subject to coordination of benefits rules.

Coverage other than Medicare coverage

If you have medical or dental coverage under another plan that is subject to coordination of benefits, we will coordinate benefits with the other coverage under the coordination of benefits rules of the California Department of Managed Health Care. Those rules are incorporated into this *EOC*.

If both the other coverage and we cover the same Service, the other coverage and we will see that up to 100 percent of your covered medical expenses are paid for that Service. The coordination of benefits rules determine which coverage pays first, or is "primary," and which coverage pays second, or is "secondary." The secondary coverage may reduce its payment to take into account payment by the primary coverage. You must give us any information we request to help us coordinate benefits.

If your coverage under this *EOC* is secondary, we may be able to establish a Benefit Reserve Account for you. You may draw on the Benefit Reserve Account during a

calendar year to pay for your out-of-pocket expenses for Services that are partially covered by either your other coverage or us during that calendar year. If you are entitled to a Benefit Reserve Account, we will provide you with detailed information about this account.

If you have any questions about coordination of benefits, please call Member Services.

Medicare coverage

If you have Medicare coverage, we will coordinate benefits with the Medicare coverage under Medicare rules. Medicare rules determine which coverage pays first, or is "primary," and which coverage pays second, or is "secondary." You must give us any information we request to help us coordinate benefits. Please call Member Services to find out which Medicare rules apply to your situation, and how payment will be handled.

Reductions

Employer responsibility

For any Services that the law requires an employer to provide, we will not pay the employer, and when we cover any such Services we may recover the value of the Services from the employer.

Government agency responsibility

For any Services that the law requires be provided only by or received only from a government agency, we will not pay the government agency, and when we cover any such Services we may recover the value of the Services from the government agency.

Injuries or illnesses alleged to be caused by other parties

If you obtain a judgment or settlement from or on behalf of another party who allegedly caused an injury or illness for which you received covered Services, you must reimburse us to the maximum extent allowed under California Civil Code Section 3040. The reimbursement due to us is not limited by or subject to the Plan Out-of-Pocket Maximum. Note: This "Injuries or illnesses alleged to be caused by other parties" section does not affect your obligation to pay your Cost Share for these Services.

To the extent permitted or required by law, we have the option of becoming subrogated to all claims, causes of action, and other rights you may have against another party or an insurer, government program, or other source of coverage for monetary damages, compensation, or indemnification on account of the injury or illness allegedly caused by the other party. We will be so subrogated as of the time we mail or deliver a written notice of our exercise of this option to you or your attorney.

To secure our rights, we will have a lien and reimbursement rights to the proceeds of any judgment or settlement you or we obtain (1) against another party, and/or (2) from other types of coverage or sources of payment that include but are not limited to: liability, uninsured motorist, underinsured motorist, personal umbrella, workers' compensation, and/or personal injury coverages, any other types of medical payments and all other first party types of coverages or sources of payment. The proceeds of any judgment or settlement that you or we obtain and/or payments that you receive shall first be applied to satisfy our lien, regardless of whether you are made whole and regardless of whether the total amount of the proceeds is less than the actual losses and damages you incurred.

Within 30 days after submitting or filing a claim or legal action against another party, you must send written notice of the claim or legal action to:

Equian
Kaiser Permanente - Northern California Region
Subrogation Mailbox
P.O. Box 36380
Louisville, KY 40233
Fax: 1-502-214-1137

In order for us to determine the existence of any rights we may have and to satisfy those rights, you must complete and send us all consents, releases, authorizations, assignments, and other documents, including lien forms directing your attorney, the other party, and the other party's liability insurer to pay us directly. You may not agree to waive, release, or reduce our rights under this provision without our prior, written consent.

If your estate, parent, guardian, or conservator asserts a claim against another party based on your injury or illness, your estate, parent, guardian, or conservator and any settlement or judgment recovered by the estate, parent, guardian, or conservator shall be subject to our liens and other rights to the same extent as if you had asserted the claim against the other party. We may assign our rights to enforce our liens and other rights.

If you have Medicare, Medicare law may apply with respect to Services covered by Medicare.

Some providers have contracted with Kaiser Permanente to provide certain Services to Members at rates that are typically less than the fees that the providers ordinarily charge to the general public ("General Fees"). However,

these contracts may allow the providers to recover all or a portion of the difference between the fees paid by Kaiser Permanente and their General Fees by means of a lien claim under California Civil Code Sections 3045.1-3045.6 against a judgment or settlement that you receive from or on behalf of another party. For Services the provider furnished, our recovery and the provider's recovery together will not exceed the provider's General Fees.

Surrogacy Arrangements

If you enter into a Surrogacy Arrangement and you or any other payee are entitled to receive payments or other compensation under the Surrogacy Arrangement, you must reimburse us for covered Services you receive related to conception, pregnancy, delivery, or postpartum care in connection with that arrangement ("Surrogacy Health Services") to the maximum extent allowed under California Civil Code Section 3040. Note: This "Surrogacy Arrangements" section does not affect your obligation to pay your Cost Share for these Services. After you surrender a baby to the legal parents, you are not obligated to reimburse us for any Services that the baby receives (the legal parents are financially responsible for any Services that the baby receives).

By accepting Surrogacy Health Services, you automatically assign to us your right to receive payments that are payable to you or any other payee under the Surrogacy Arrangement, regardless of whether those payments are characterized as being for medical expenses. To secure our rights, we will also have a lien on those payments and on any escrow account, trust, or any other account that holds those payments. Those payments (and amounts in any escrow account, trust, or other account that holds those payments) shall first be applied to satisfy our lien. The assignment and our lien will not exceed the total amount of your obligation to us under the preceding paragraph.

Within 30 days after entering into a Surrogacy Arrangement, you must send written notice of the arrangement, including all of the following information:

- Names, addresses, and phone numbers of the other parties to the arrangement
- Names, addresses, and phone numbers of any escrow agent or trustee
- Names, addresses, and phone numbers of the intended parents and any other parties who are financially responsible for Services the baby (or babies) receive, including names, addresses, and phone numbers for any health insurance that will cover Services that the baby (or babies) receive
- A signed copy of any contracts and other documents explaining the arrangement
- Any other information we request in order to satisfy our rights

You must send this information to:

Equian
Kaiser Permanente - Northern California Region
Surrogacy Mailbox
P.O. Box 36380
Louisville, KY 40233
Fax: 1-502-214-1137

You must complete and send us all consents, releases, authorizations, lien forms, and other documents that are reasonably necessary for us to determine the existence of any rights we may have under this "Surrogacy Arrangements" section and to satisfy those rights. You may not agree to waive, release, or reduce our rights under this "Surrogacy Arrangements" section without our prior, written consent.

If your estate, parent, guardian, or conservator asserts a claim against another party based on the Surrogacy Arrangement, your estate, parent, guardian, or conservator and any settlement or judgment recovered by the estate, parent, guardian, or conservator shall be subject to our liens and other rights to the same extent as if you had asserted the claim against the other party. We may assign our rights to enforce our liens and other rights.

If you have questions about your obligations under this provision, please call Member Services.

You may be eligible for payments or other benefits, including amounts received as a settlement (collectively referred to as "Financial Benefit"), under workers' compensation or employer's liability law. We will provide covered Services even if it is unclear whether you are entitled to a Financial Benefit, but we may recover the value of any covered Services from the following sources:

- From any source providing a Financial Benefit or from whom a Financial Benefit is due
- From you, to the extent that a Financial Benefit is provided or payable or would have been required to be provided or payable if you had diligently sought to establish your rights to the Financial Benefit under any workers' compensation or employer's liability law

If the Non–Plan Provider states that they will file the claim, you are still responsible for making sure that we receive everything we need to process the request for payment. When appropriate, we will request medical records from Plan Providers on your behalf. If you tell us that you have consulted with a Non–Plan Provider and are unable to provide copies of relevant medical records, we will contact the provider to request a copy of your relevant medical records. We will ask you to provide us a written authorization so that we can request your records.

If you want to review the information that we have collected regarding your claim, you may request, and we will provide without charge, copies of all relevant documents, records, and other information. You also have the right to request any diagnosis and treatment codes and their meanings that are the subject of your claim. To make a request, you should follow the steps in the written notice sent to you about your claim.

- If we need more information, we will ask you for the information before the end of the initial 30-day decision period. We will send our written decision no later than 15 days after the date we receive the additional information. If we do not receive the necessary information within the timeframe specified in our letter, we will make our decision based on the

information we have within 15 days after the end of that timeframe

If we pay any part of your claim, we will subtract applicable Cost Share from any payment we make to you or the Non–Plan Provider. You are not responsible for any amounts beyond your Cost Share for covered Emergency Services. If we deny your claim (if we do not agree to pay for all the Services you requested other than the applicable Cost Share), our letter will explain why we denied your claim and how you can appeal.

Please send all additional information to the address or fax mentioned in your denial letter.

Also, you may give testimony in writing or by phone. Please send your written testimony to the address mentioned in our acknowledgment letter, sent to you within five days after we receive your appeal. External Review

You must exhaust our internal claims and appeals procedures before you may request external review unless we have failed to comply with the claims and appeals procedures described in this "Post-Service Claims and Appeals" section. For information about the external review process, see "Independent Medical Review ("IMR")" in the "Dispute Resolution" section.

Additional Review

You may have certain additional rights if you remain dissatisfied after you have exhausted our internal claims and appeals procedure, and if applicable, external review:

If you want to make a claim for payment or reimbursement for Services that you have already received from a Non–Plan Provider, please follow the procedure in the "Post-Service Claims and Appeals" section.

Here are some examples of reasons you might file a grievance:

- You are not satisfied with the quality of care you received

- You received a written denial for a second opinion or we did not respond to your request for a second opinion in an expeditious manner, as appropriate for your condition
- Your treating physician has said that Services are not Medically Necessary and you want us to cover the Services
- You were told that Services are not covered and you believe that the Services should be covered
- You want us to continue to cover an ongoing course of covered treatment
- You are dissatisfied with how long it took to get Services, including getting an appointment, in the waiting room, or in the exam room
- You want to report unsatisfactory behavior by providers or staff, or dissatisfaction with the condition of a facility
- You believe you have faced discrimination from providers, staff, or Health Plan
- We terminated your membership and you disagree with that termination

- You may file for yourself
- You can ask a friend, relative, attorney, or any other individual to file a grievance for you by appointing them in writing as your authorized representative
- A parent may file for their child under age 18, except that the child must appoint the parent as authorized representative if the child has the legal right to control release of information that is relevant to the grievance
- A court-appointed guardian may file for their ward, except that the ward must appoint the court-appointed guardian as authorized representative if the ward has the legal right to control release of information that is relevant to the grievance
- A court-appointed conservator may file for their conservatee

- An agent under a currently effective health care proxy, to the extent provided under state law, may file for their principal
- Your physician may act as your authorized representative with your verbal consent to request an urgent grievance as described under "Urgent procedure" in this "Grievances" section

Authorized representatives must be appointed in writing using either our authorization form or some other form of written notification. The authorization form is available from the Member Services office at a Plan Facility, on our website at **kp.org**, or by calling Member Services. Your written authorization must accompany the grievance. You must pay the cost of anyone you hire to represent or help you.

How to file

You can file a grievance orally or in writing. Your grievance must explain your issue, such as the reasons why you believe a decision was in error or why you are dissatisfied with the Services you received.

Standard Procedure

To file a grievance electronically, use the grievance form on **kp.org**.

To file a grievance orally, call Member Services toll free at **1-800-464-4000** (TTY users call **711**).

To file a grievance in writing, please use our grievance form, which is available on **kp.org** under "Forms & Publications," in person from any Member Services office at a Plan Facility, or from Plan Providers (for addresses, refer to our Provider Directory or call Member Services). You can submit the form in the following ways:

- In person at any Member Services office at a Plan Facility
- By mail to any Member Services office at a Plan Facility

You must file your grievance within 180 days following the incident or action that is subject to your dissatisfaction. You may send us information including comments, documents, and medical records that you believe support your grievance.

Please call Member Services if you need help filing a grievance.

If your grievance involves a request to obtain a non-formulary prescription drug, we will notify you of our decision within 72 hours. If we do not decide in your favor, our letter will explain why and describe your further appeal rights. For information on how to request a review by an independent review organization, see "Independent Review Organization for Non-Formulary Prescription Drug Requests" in this "Dispute Resolution" section.

For all other grievances, we will send you an acknowledgment letter within five days after we receive your grievance. We will send you a resolution letter within 30 days after we receive your grievance. You must file your urgent grievance in one of the following ways:

- By calling our Expedited Review Unit toll free at **1-888-987-7247** (TTY users call **711**)
- By mailing a written request to:

We will decide whether your grievance is urgent or non-urgent unless your attending health care provider tells us your grievance is urgent. If we determine that your grievance is not urgent, we will use the procedure described under "Standard procedure" in this

"Grievances" section. Generally, a grievance is urgent only if one of the following is true:

- Using the standard procedure could seriously jeopardize your life, health, or ability to regain maximum function
- Using the standard procedure would, in the opinion of a physician with knowledge of your medical condition, subject you to severe pain that cannot be adequately managed without extending your course of covered treatment
- A physician with knowledge of your medical condition determines that your grievance is urgent
- You have received Emergency Services but have not been discharged from a facility and your request involves admissions, continued stay, or other health care Services
- You are undergoing a current course of treatment using a non-formulary prescription drug and your grievance involves a request to refill a non-formulary prescription drug

For most grievances that we respond to on an urgent basis, we will give you oral notice of our decision as soon as your clinical condition requires, but no later than 72 hours after we received your grievance. We will send you a written confirmation of our decision within three days after we received your grievance.

If your grievance involves a request to obtain a non-formulary prescription drug and we respond to your request on an urgent basis, we will notify you of our decision within 24 hours of your request. For information on how to request a review by an independent review organization, see "Independent Review Organization for Non- Formulary Prescription Drug Requests" in this "Dispute Resolution" section.

If we do not decide in your favor, our letter will explain why and describe your further appeal rights.

Note: If you have an issue that involves an imminent and serious threat to your health (such as severe pain or potential loss of life, limb, or major bodily function), you can contact the California Department of Managed Health Care at any time at **1-888-466-2219** (TDD **1-877-688-9891**) without first filing a grievance with us.

If we believe that your request should not be granted, before we issue our decision letter, we will also share with you any new or additional reasons for that decision. We will send you a letter explaining the additional information and/or reasons. Our letters about additional information and new or additional rationales will tell you how you can respond to the information provided if you choose to do so. For urgent IRO reviews, we will forward to you the independent reviewer's decision within 24 hours. For non-urgent requests, we will forward the independent reviewer's decision to you within 72 hours. If the independent reviewer does not decide in your favor, you may submit a complaint to the Department of Managed Health Care, as described under "Department of Managed Health Care Complaints" in this "Dispute Resolution" section. You may also submit a request for an Independent Medical Review as described under "Independent Medical Review" in this "Dispute Resolution" section.

Department of Managed Health Care Complaints

The California Department of Managed Health Care is responsible for regulating health care service plans. If you have a grievance against your health plan, you should first telephone your health plan toll free at **1-800-464-4000** (TTY users call **711**) and use your health plan's grievance process before contacting the department. Utilizing this grievance procedure does not prohibit any potential legal rights or remedies that may be available to you. If you need help with a grievance involving an emergency, a grievance that has not been satisfactorily resolved by your health plan, or a grievance that has remained unresolved for more than 30 days, you may call the department for assistance. You may also be eligible for an Independent Medical Review (IMR). If you are eligible for IMR, the IMR process will provide an impartial review of medical decisions made by a health plan related to the medical necessity of a proposed service or treatment, coverage decisions for treatments that are experimental or investigational in nature and payment disputes for emergency or urgent medical services. The department also has a toll-free telephone number **(1-888-466-2219)** and a TDD line **(1-877-688-9891)** for the hearing and speech impaired. The department's Internet website **www.dmhc.ca.gov** has complaint forms, IMR application forms and instructions online.

Independent Medical Review ("IMR")

Except as described in this "Independent Medical Review ("IMR")" section, you must exhaust our internal grievance procedure before you may request independent medical review unless we have failed to comply with the grievance procedure described under "Grievances" in this "Dispute Resolution" section. If you qualify, you or your authorized representative may have your issue reviewed through the IMR process managed by the California Department of Managed Health Care ("DMHC"). The DMHC determines which cases qualify for IMR. This review is at no cost to you. If you decide not to request an IMR, you may give up the right to pursue some legal actions against us.

You may qualify for IMR if all of the following are true:

- One of these situations applies to you:
  - you have a recommendation from a provider requesting Medically Necessary Services
  - you have received Emergency Services, emergency ambulance Services, or Urgent Care

from a provider who determined the Services to be Medically Necessary

- ♦ you have been seen by a Plan Provider for the diagnosis or treatment of your medical condition

- Your request for payment or Services has been denied, modified, or delayed based in whole or in part on a decision that the Services are not Medically Necessary
- You have filed a grievance and we have denied it or we haven't made a decision about your grievance within 30 days (or three days for urgent grievances). The DMHC may waive the requirement that you first file a grievance with us in extraordinary and compelling cases, such as severe pain or potential loss of life, limb, or major bodily function. If we have denied your grievance, you must submit your request for an IMR within six months of the date of our written denial. However, the DMHC may accept your request after six months if they determine that circumstances prevented timely submission

You may also qualify for IMR if the Service you requested has been denied on the basis that it is experimental or investigational as described under "Experimental or investigational denials."

If the DMHC determines that your case is eligible for IMR, it will ask us to send your case to the DMHC's IMR organization. The DMHC will promptly notify you of its decision after it receives the IMR organization's determination. If the decision is in your favor, we will contact you to arrange for the Service or payment.

Experimental or investigational denials

If we deny a Service because it is experimental or investigational, we will send you our written explanation within three days after we received your request. We will explain why we denied the Service and provide additional dispute resolution options. Also, we will provide information about your right to request Independent Medical Review if we had the following information when we made our decision:

- Your treating physician provided us a written statement that you have a life-threatening or seriously debilitating condition and that standard therapies have not been effective in improving your condition, or that standard therapies would not be appropriate, or that there is no more beneficial standard therapy we cover than the therapy being requested. "Life-threatening" means diseases or conditions where the likelihood of death is high unless the course of the disease is interrupted, or diseases or conditions with potentially fatal outcomes where the end point of clinical intervention is survival. "Seriously debilitating" means diseases or conditions that cause major irreversible morbidity
- If your treating physician is a Plan Physician, they recommended a treatment, drug, device, procedure, or other therapy and certified that the requested therapy is likely to be more beneficial to you than any available standard therapies and included a statement of the evidence relied upon by the Plan Physician in certifying their recommendation
- You (or your Non–Plan Physician who is a licensed, and either a board-certified or board-eligible, physician qualified in the area of practice appropriate to treat your condition) requested a therapy that, based on two documents from the medical and scientific evidence, as defined in California Health and Safety Code Section 1370.4(d), is likely to be more beneficial for you than any available standard therapy. The physician's certification included a statement of the evidence relied upon by the physician in certifying their recommendation. We do not cover the Services of the Non–Plan Provider

Note: You can request IMR for experimental or investigational denials at any time without first filing a grievance with us.

Office of Civil Rights Complaints

If you believe that you have been discriminated against by a Plan Provider or by us because of your race, color, national origin, disability, age, sex (including sex stereotyping and gender identity), or religion, you may file a complaint with the Office of Civil Rights in the United States Department of Health and Human Services ("OCR").

You may file your complaint with the OCR within 180 days of when you believe the act of discrimination occurred. However, the OCR may accept your request after six months if they determine that circumstances prevented timely submission. For more information on the OCR and how to file a complaint with the OCR, go to **hhs.gov/civil-rights**.

Additional Review

You may have certain additional rights if you remain dissatisfied after you have exhausted our internal claims and appeals procedure, and if applicable, external review:

- If your Group's benefit plan is subject to the Employee Retirement Income Security Act ("ERISA"), you may file a civil action under section

502(a) of ERISA. To understand these rights, you should check with your Group or contact the Employee Benefits Security Administration (part of the U.S. Department of Labor) at **1-866-444-EBSA** (**1-866-444-3272**)

- If your Group's benefit plan is not subject to ERISA (for example, most state or local government plans and church plans), you may have a right to request review in state court

Binding Arbitration

For all claims subject to this "Binding Arbitration" section, both Claimants and Respondents give up the right to a jury or court trial and accept the use of binding arbitration. Insofar as this "Binding Arbitration" section applies to claims asserted by Kaiser Permanente Parties, it shall apply retroactively to all unresolved claims that accrued before the effective date of this *EOC*. Such retroactive application shall be binding only on the Kaiser Permanente Parties.

Scope of arbitration

Any dispute shall be submitted to binding arbitration if all of the following requirements are met:

- The claim arises from or is related to an alleged violation of any duty incident to or arising out of or relating to this *EOC* or a Member Party's relationship to Kaiser Foundation Health Plan, Inc. ("Health Plan"), including any claim for medical or hospital malpractice (a claim that medical services or items were unnecessary or unauthorized or were improperly, negligently, or incompetently rendered), for premises liability, or relating to the coverage for, or delivery of, services or items, irrespective of the legal theories upon which the claim is asserted
- The claim is asserted by one or more Member Parties against one or more Kaiser Permanente Parties or by one or more Kaiser Permanente Parties against one or more Member Parties
- Governing law does not prevent the use of binding arbitration to resolve the claim

Members enrolled under this *EOC* thus give up their right to a court or jury trial, and instead accept the use of binding arbitration except that the following types of claims are not subject to binding arbitration:

- Claims within the jurisdiction of the Small Claims Court
- Claims subject to a Medicare appeal procedure as applicable to Kaiser Permanente Senior Advantage Members
- Claims that cannot be subject to binding arbitration under governing law

As referred to in this "Binding Arbitration" section, "Member Parties" include:

- A Member
- A Member's heir, relative, or personal representative
- Any person claiming that a duty to them arises from a Member's relationship to one or more Kaiser Permanente Parties

"Kaiser Permanente Parties" include:

- Kaiser Foundation Health Plan, Inc.
- Kaiser Foundation Hospitals
- The Permanente Medical Group, Inc.
- Southern California Permanente Medical Group
- The Permanente Federation, LLC
- The Permanente Company, LLC
- Any Southern California Permanente Medical Group or The Permanente Medical Group physician
- Any individual or organization whose contract with any of the organizations identified above requires arbitration of claims brought by one or more Member Parties
- Any employee or agent of any of the foregoing

"Claimant" refers to a Member Party or a Kaiser Permanente Party who asserts a claim as described above. "Respondent" refers to a Member Party or a Kaiser Permanente Party against whom a claim is asserted.

Rules of Procedure

Arbitrations shall be conducted according to the *Rules for Kaiser Permanente Member Arbitrations Overseen by the Office of the Independent Administrator* ("Rules of Procedure") developed by the Office of the Independent Administrator in consultation with Kaiser Permanente and the Arbitration Oversight Board. Copies of the Rules of Procedure may be obtained from Member Services.

Initiating arbitration

Claimants shall initiate arbitration by serving a Demand for Arbitration. The Demand for Arbitration shall include the basis of the claim against the Respondents; the amount of damages the Claimants seek in the arbitration; the names, addresses, and phone numbers of the Claimants and their attorney, if any; and the names of all Respondents. Claimants shall include in the Demand for Arbitration all claims against Respondents that are based

on the same incident, transaction, or related circumstances.

Serving Demand for Arbitration

Health Plan, Kaiser Foundation Hospitals, The Permanente Medical Group, Inc., Southern California Permanente Medical Group, The Permanente Federation, LLC, and The Permanente Company, LLC, shall be served with a Demand for Arbitration by mailing the Demand for Arbitration addressed to that Respondent in care of:

Kaiser Foundation Health Plan, Inc.
Legal Department, Professional & Public Liability
1 Kaiser Plaza, 19th Floor
Oakland, CA 94612

Service on that Respondent shall be deemed completed when received. All other Respondents, including individuals, must be served as required by the California Code of Civil Procedure for a civil action.

Filing fee

The Claimants shall pay a single, nonrefundable filing fee of $150 per arbitration payable to "Arbitration Account" regardless of the number of claims asserted in the Demand for Arbitration or the number of Claimants or Respondents named in the Demand for Arbitration.

Any Claimant who claims extreme hardship may request that the Office of the Independent Administrator waive the filing fee and the neutral arbitrator's fees and expenses. A Claimant who seeks such waivers shall complete the Fee Waiver Form and submit it to the Office of the Independent Administrator and simultaneously serve it upon the Respondents. The Fee Waiver Form sets forth the criteria for waiving fees and is available by calling Member Services.

Number of arbitrators

The number of arbitrators may affect the Claimants' responsibility for paying the neutral arbitrator's fees and expenses (see the Rules of Procedure).

If the Demand for Arbitration seeks total damages of $200,000 or less, the dispute shall be heard and determined by one neutral arbitrator, unless the parties otherwise agree in writing after a dispute has arisen and a request for binding arbitration has been submitted that the arbitration shall be heard by two party arbitrators and one neutral arbitrator. The neutral arbitrator shall not have authority to award monetary damages that are greater than $200,000.

If the Demand for Arbitration seeks total damages of more than $200,000, the dispute shall be heard and determined by one neutral arbitrator and two party arbitrators, one jointly appointed by all Claimants and one jointly appointed by all Respondents. Parties who are entitled to select a party arbitrator may agree to waive this right. If all parties agree, these arbitrations will be heard by a single neutral arbitrator.

Payment of arbitrators' fees and expenses

Health Plan will pay the fees and expenses of the neutral arbitrator under certain conditions as set forth in the Rules of Procedure. In all other arbitrations, the fees and expenses of the neutral arbitrator shall be paid one-half by the Claimants and one-half by the Respondents.

If the parties select party arbitrators, Claimants shall be responsible for paying the fees and expenses of their party arbitrator and Respondents shall be responsible for paying the fees and expenses of their party arbitrator.

Costs

Except for the aforementioned fees and expenses of the neutral arbitrator, and except as otherwise mandated by laws that apply to arbitrations under this "Binding Arbitration" section, each party shall bear the party's own attorneys' fees, witness fees, and other expenses incurred in prosecuting or defending against a claim regardless of the nature of the claim or outcome of the arbitration.

General provisions

A claim shall be waived and forever barred if (1) on the date the Demand for Arbitration of the claim is served, the claim, if asserted in a civil action, would be barred as to the Respondent served by the applicable statute of limitations, (2) Claimants fail to pursue the arbitration claim in accord with the Rules of Procedure with reasonable diligence, or (3) the arbitration hearing is not commenced within five years after the earlier of (a) the date the Demand for Arbitration was served in accord with the procedures prescribed herein, or (b) the date of filing of a civil action based upon the same incident, transaction, or related circumstances involved in the claim. A claim may be dismissed on other grounds by the neutral arbitrator based on a showing of a good cause. If a party fails to attend the arbitration hearing after being given due notice thereof, the neutral arbitrator may proceed to determine the controversy in the party's absence.

The California Medical Injury Compensation Reform Act of 1975 (including any amendments thereto), including sections establishing the right to introduce evidence of any insurance or disability benefit payment to the patient, the limitation on recovery for non-economic losses, and the right to have an award for

future damages conformed to periodic payments, shall apply to any claims for professional negligence or any other claims as permitted or required by law.

Arbitrations shall be governed by this "Binding Arbitration" section, Section 2 of the Federal Arbitration Act, and the California Code of Civil Procedure provisions relating to arbitration that are in effect at the time the statute is applied, together with the Rules of Procedure, to the extent not inconsistent with this "Binding Arbitration" section. In accord with the rule that applies under Sections 3 and 4 of the Federal Arbitration Act, the right to arbitration under this "Binding Arbitration" section shall not be denied, stayed, or otherwise impeded because a dispute between a Member Party and a Kaiser Permanente Party involves both arbitrable and nonarbitrable claims or because one or more parties to the arbitration is also a party to a pending court action with another party that arises out of the same or related transactions and presents a possibility of conflicting rulings or findings.

Termination of Membership

Your Group is required to inform the Subscriber of the date your membership terminates. Your membership termination date is the first day you are not covered (for example, if your termination date is January 1, 2025, your last minute of coverage was at 11:59 p.m. on December 31, 2024). When a Subscriber's membership ends, the memberships of any Dependents end at the same time. You will be billed as a non-Member for any Services you receive after your membership terminates. Health Plan and Plan Providers have no further liability or responsibility under this *EOC* after your membership terminates, except as provided under "Payments after Termination" in this "Termination of Membership" section.

Information about termination of pediatric dental coverage is described under "Pediatric Dental Coverage" in the "Introduction" section of this *EOC*.

Termination Due to Loss of Eligibility

If you no longer meet the eligibility requirements described under "Who Is Eligible" in the "Premiums, Eligibility, and Enrollment" section, your Group will notify you of the date that your membership will end. Your membership termination date is the first day you are not covered. For example, if your termination date is January 1, 2025, your last minute of coverage was at 11:59 p.m. on December 31, 2024.

Termination of *Agreement*

If your Group's *Agreement* with us terminates for any reason, your membership ends on the same date. Your Group is required to notify Subscribers in writing if its *Agreement* with us terminates.

Termination for Cause

If you intentionally commit fraud in connection with membership, Health Plan, or a Plan Provider, we may terminate your membership by sending written notice to the Subscriber; termination will be effective 30 days from the date we send the notice. Some examples of fraud include:

- Misrepresenting eligibility information about you or a Dependent
- Presenting an invalid prescription or physician order
- Misusing a Kaiser Permanente ID card (or letting someone else use it)
- Giving us incorrect or incomplete material information. For example, you have entered into a Surrogacy Arrangement and you fail to send us the information we require under "Surrogacy Arrangements" under "Reductions" in the "Exclusions, Limitations, Coordination of Benefits, and Reductions" section
- Failing to notify us of changes in family status or Medicare coverage that may affect your eligibility or benefits

If we terminate your membership for cause, you will not be allowed to enroll in Health Plan in the future. We may also report criminal fraud and other illegal acts to the authorities for prosecution.

Termination of a Product or all Products

We may terminate a particular product or all products offered in the group market as permitted or required by law. If we discontinue offering a particular product in the group market, we will terminate just the particular product by sending you written notice at least 90 days before the product terminates. If we discontinue offering all products in the group market, we may terminate your Group's *Agreement* by sending you written notice at least 180 days before the *Agreement* terminates.

Payments after Termination

If we terminate your membership for cause or for nonpayment, we will:

- Refund any amounts we owe your Group for Premiums paid after the termination date
- Pay you any amounts we have determined that we owe you for claims during your membership in accord with the "Emergency Services and Urgent Care" and "Dispute Resolution" sections

We will deduct any amounts you owe Health Plan or Plan Providers from any payment we make to you.

State Review of Membership Termination

If you believe that we have terminated your membership because of your ill health or your need for care, you may request a review of the termination by the California Department of Managed Health Care (please see "Department of Managed Health Care Complaints" in the "Dispute Resolution" section).

Continuation of Membership

If your membership under this *EOC* ends, you may be eligible to continue Health Plan membership without a break in coverage. You may be able to continue Group coverage under this *EOC* as described under "Continuation of Group Coverage." Also, you may be able to continue membership under an individual plan as described under "Continuation of Coverage under an Individual Plan." If at any time you become entitled to continuation of Group coverage, please examine your coverage options carefully before declining this coverage. Individual plan premiums and coverage will be different from the premiums and coverage under your Group plan.

Continuation of Group coverage under this *EOC* also includes continuation of coverage under the attached Delta Dental EOC/DF.

Continuation of Group Coverage

COBRA

You may be able to continue your coverage under this *EOC* for a limited time after you would otherwise lose eligibility, if required by the federal Consolidated Omnibus Budget Reconciliation Act ("COBRA"). COBRA applies to most employees (and most of their covered family Dependents) of most employers with 20 or more employees.

If your Group is subject to COBRA and you are eligible for COBRA coverage, in order to enroll you must submit a COBRA election form to your Group within the COBRA election period. Please ask your Group for details about COBRA coverage, such as how to elect coverage, how much you must pay for coverage, when coverage and Premiums may change, and where to send your Premium payments.

If you enroll in COBRA and exhaust the time limit for COBRA coverage, you may be able to continue Group coverage under state law as described under "Cal-COBRA" in this "Continuation of Group Coverage" section.

Cal-COBRA

If you are eligible for coverage under the California Continuation Benefits Replacement Act ("Cal-COBRA"), you can continue coverage as described in this "Cal-COBRA" section if you apply for coverage in compliance with Cal-COBRA law and pay applicable Premiums.

Eligibility and effective date of coverage for Cal-COBRA after COBRA

If your group is subject to COBRA and your COBRA coverage ends, you may be able to continue Group coverage effective the date your COBRA coverage ends if all of the following are true:

- Your effective date of COBRA coverage was on or after January 1, 2003
- You have exhausted the time limit for COBRA coverage and that time limit was 18 or 29 months
- You do not have Medicare

You must request an enrollment application by calling Member Services within 60 days of the date of when your COBRA coverage ends.

Eligibility and effective date of coverage for Cal-COBRA when your coverage is through a small employer

If your group is not subject to COBRA, you may be able to continue uninterrupted Group coverage under this *EOC* if all of the following are true:

- Your employer meets the definition of "small employer" in Section 1357.500 or 1357.600 of the California Health and Safety Code

- Your employer employed between 2 to 19 eligible employees on at least 50 percent of its working days during the last calendar year
- You do not have Medicare Part A
- You experience one of the following qualifying events:
  - your coverage is through a Subscriber who dies, divorces, legally separates, or gets Medicare
  - you no longer qualify as a Dependent, under the terms of the "Who Is Eligible" section of this *EOC*
  - you are a Subscriber, or your coverage is through a Subscriber, whose employment terminates (other than for gross misconduct) or whose hours of employment are reduced

You must request an enrollment application by calling Member Services within 60 days of the date of a qualifying event described above.

Cal-COBRA enrollment and Premiums

Within 10 days of your request for an enrollment application, we will send you our application, which will include Premium and billing information. You must return your completed application within 63 days of the date of our termination letter or of your membership termination date (whichever date is later).

If we approve your enrollment application, we will send you billing information within 30 days after we receive your application. You must pay Full Premiums within 45 days after the date we issue the bill. The first Premium payment will include coverage from your Cal-COBRA effective date through our current billing cycle. You must send us the Premium payment by the due date on the bill to be enrolled in Cal-COBRA.

After that first payment, your Premium payment for the upcoming coverage month is due on the last day of the preceding month. The Premiums will not exceed 110 percent of the applicable Premiums charged to a similarly situated individual under the Group benefit plan except that Premiums for disabled individuals after 18 months of COBRA coverage will not exceed 150 percent instead of 110 percent. Returned checks or insufficient funds on electronic payments may be subject to a fee.

If you have selected Ancillary Coverage provided under any other program, the Premium for that Ancillary Coverage will be billed together with required Premiums for coverage under this *EOC*. Full Premiums will then also include Premium for Ancillary Coverage. This means if you do not pay the Full Premiums owed by the due date, we may terminate your membership under this *EOC* and any Ancillary Coverage, as described in the "Termination for nonpayment of Cal-COBRA Premiums" section.

Changes to Cal-COBRA coverage and Premiums

Your Cal-COBRA coverage is the same as for any similarly situated individual under your Group's *Agreement*, and your Cal-COBRA coverage and Premiums will change at the same time that coverage or Premiums change in your Group's *Agreement*. Your Group's coverage and Premiums will change on the renewal date of its *Agreement* (January 1), and may also change at other times if your Group's *Agreement* is amended. Your monthly invoice will reflect the current Premiums that are due for Cal-COBRA coverage, including any changes. For example, if your Group makes a change that affects Premiums retroactively, the amount we bill you will be adjusted to reflect the retroactive adjustment in Premiums. Your Group can tell you whether this *EOC* is still in effect and give you a current one if this *EOC* has expired or been amended. You can also request one from Member Services.

Cal-COBRA open enrollment or termination of another health plan

If you previously elected Cal-COBRA coverage through another health plan available through your Group, you may be eligible to enroll in Kaiser Permanente during your Group's annual open enrollment period, or if your Group terminates its agreement with the health plan you are enrolled in. You will be entitled to Cal-COBRA coverage only for the remainder, if any, of the coverage period prescribed by Cal-COBRA. Please ask your Group for information about health plans available to you either at open enrollment or if your Group terminates a health plan's agreement.

In order for you to switch from another health plan and continue your Cal-COBRA coverage with us, we must receive your enrollment application during your Group's open enrollment period, or within 63 days of receiving the Group's termination notice described under "Group responsibilities." To request an application, please call Member Services. We will send you our enrollment application and you must return your completed application before open enrollment ends or within 63 days of receiving the termination notice described under "Group responsibilities." If we approve your enrollment application, we will send you billing information within 30 days after we receive your application. You must pay the bill within 45 days after the date we issue the bill. You must send us the Premium payment by the due date on the bill to be enrolled in Cal-COBRA.

How you may terminate your Cal-COBRA coverage
You may terminate your Cal-COBRA coverage by sending written notice, signed by the Subscriber, to the address below. Your membership will terminate at 11:59 p.m. on the last day of the month in which we receive your notice. Also, you must include with your notice all amounts payable related to your Cal-COBRA coverage, including Premiums, for the period prior to your termination date.

Kaiser Foundation Health Plan, Inc.
California Service Center
P.O. Box 23127
San Diego, CA 92193-3127

Termination for nonpayment of Cal-COBRA Premiums
If you do not pay Full Premiums by the due date, we may terminate your membership as described in this "Termination for nonpayment of Cal-COBRA Premiums" section. If you intend to terminate your membership, be sure to notify us as described under "How you may terminate your Cal-COBRA coverage" in this "Cal-COBRA" section, as you will be responsible for any Premiums billed to you unless you let us know before the first of the coverage month that you want us to terminate your coverage.

Your Premium payment for the upcoming coverage month is due on the last day of the preceding month. If we do not receive Full Premium payment by the due date, we will send a notice of nonreceipt of payment to the Subscriber's address of record. You will have a 30-day grace period to pay the required Premiums before we terminate your Cal-COBRA coverage for nonpayment. The notice will state when the grace period begins and when the memberships of the Subscriber and all Dependents will terminate if the required Premiums are not paid. Your coverage will continue during this grace period. If we do not receive Full Premium payment by the end of the grace period, we will mail a termination notice to the Subscriber's address of record. After termination of your membership for nonpayment of Cal-COBRA Premiums, you are still responsible for paying all amounts due, including Premiums for the grace period.

Reinstatement of your membership after termination for nonpayment of Cal-COBRA Premiums
If we terminate your membership for nonpayment of Premiums, we will permit reinstatement of your membership three times during any 12-month period if we receive the amounts owed within 15 days of the date of the Termination Notice. We will not reinstate your membership if you do not obtain reinstatement of your terminated membership within the required 15 days, or if we terminate your membership for nonpayment of Premiums more than three times in a 12-month period.

Termination of Cal-COBRA coverage
Cal-COBRA coverage continues only upon payment of applicable monthly Premiums to us at the time we specify, and terminates on the earliest of:

- The date your Group's *Agreement* with us terminates (you may still be eligible for Cal-COBRA through another Group health plan)
- The date you get Medicare
- The date your coverage begins under any other group health plan that does not contain any exclusion or limitation with respect to any pre-existing condition you may have (or that does contain such an exclusion or limitation, but it has been satisfied)
- The date you become covered, or could have become covered, under COBRA
- Either the date that is 36 months after the date of your original Cal-COBRA qualifying event or the date that is 36 months after the date of your original COBRA effective date (under this or any other plan) if you were enrolled in COBRA before Cal-COBRA
- The date your membership is terminated for nonpayment of Premiums as described under "Termination for nonpayment of Cal-COBRA Premiums" in this "Continuation of Membership" section

Note: If the Social Security Administration determined that you were disabled at any time during the first 60 days of COBRA coverage, you must notify your Group within 60 days of receiving the determination from Social Security. Also, if Social Security issues a final determination that you are no longer disabled in the 35th or 36th month of Group continuation coverage, your Cal-COBRA coverage will end the later of: (1) expiration of 36 months after your original COBRA effective date, or (2) the first day of the first month following 31 days after Social Security issued its final determination. You must notify us within 30 days after you receive Social Security's final determination that you are no longer disabled.

Group responsibilities
Your Group is required to give Health Plan written notice within 30 days after a Subscriber is no longer eligible for coverage due to termination of employment or reduction of hours. If your Group prefers that we not offer Cal-COBRA coverage because your Group terminated a Subscriber's employment for gross misconduct, your Group must send written notice within

five days after the Subscriber's employment terminates to:

Kaiser Foundation Health Plan
California Service Center
P.O. Box 23059
San Diego, CA 92193-3059

Your Group is required to notify us in writing within 30 days if your Group becomes subject to COBRA under federal law.

If your Group's agreement with a health plan is terminated, your Group is required to provide written notice at least 30 days before the termination date to the persons whose Cal-COBRA coverage is terminating. This notice must inform Cal-COBRA beneficiaries that they can continue Cal-COBRA coverage by enrolling in any health benefit plan offered by your Group. It must also include information about benefits, premiums, payment instructions, and enrollment forms (including instructions on how to continue Cal-COBRA coverage under the new health plan). Your Group is required to send this information to the person's last known address, as provided by the prior health plan. Health Plan is not obligated to provide this information to qualified beneficiaries if your Group fails to provide the notice. These persons will be entitled to Cal-COBRA coverage only for the remainder, if any, of the coverage period prescribed by Cal-COBRA.

USERRA

If you are called to active duty in the uniformed services, you may be able to continue your coverage under this *EOC* for a limited time after you would otherwise lose eligibility, if required by the federal Uniformed Services Employment and Reemployment Rights Act ("USERRA"). You must submit a USERRA election form to your Group within 60 days after your call to active duty. Please contact your Group to find out how to elect USERRA coverage and how much you must pay your Group.

Coverage for a Disabling Condition

If you became Totally Disabled while you were a Member under your Group's *Agreement* with us and while the Subscriber was employed by your Group, and your Group's *Agreement* with us terminates and is not renewed, we will cover Services for your totally disabling condition until the earliest of the following events occurs:

- 12 months have elapsed since your Group's *Agreement* with us terminated
- You are no longer Totally Disabled
- Your Group's *Agreement* with us is replaced by another group health plan without limitation as to the disabling condition

Your coverage will be subject to the terms of this *EOC,* including Cost Share, but we will not cover Services for any condition other than your totally disabling condition.

For Subscribers and adult Dependents, "Totally Disabled" means that, in the judgment of a Medical Group physician, an illness or injury is expected to result in death or has lasted or is expected to last for a continuous period of at least 12 months, and makes the person unable to engage in any employment or occupation, even with training, education, and experience.

For Dependent children, "Totally Disabled" means that, in the judgment of a Medical Group physician, an illness or injury is expected to result in death or has lasted or is expected to last for a continuous period of at least 12 months and the illness or injury makes the child unable to substantially engage in any of the normal activities of children in good health of like age.

To request continuation of coverage for your disabling condition, you must call Member Services within 30 days after your Group's *Agreement* with us terminates.

Continuation of Coverage under an Individual Plan

If you want to remain a Health Plan member when your Group coverage ends, you might be able to enroll in one of our Kaiser Permanente for Individuals and Families plans. The premiums and coverage under our individual plan coverage are different from those under this *EOC*.

If you want your individual plan coverage to be effective when your Group coverage ends, you must submit your application within the special enrollment period for enrolling in an individual plan due to loss of other coverage. Otherwise, you will have to wait until the next annual open enrollment period.

To request an application to enroll directly with us, please go to **buykp.org** or call Member Services. For information about plans that are available through Covered California, see "Covered California" below.

Covered California

U.S. citizens or legal residents of the U.S. can buy health care coverage from Covered California. This is California's health benefit exchange ("the Exchange").

You may apply for help to pay for premiums and copayments but only if you buy coverage through Covered California. This financial assistance may be available if you meet certain income guidelines. To learn more about coverage that is available through Covered California, visit **CoveredCA.com** or call Covered California at **1-800-300-1506** (TTY users call **711**).

Miscellaneous Provisions

Administration of *Agreement*

We may adopt reasonable policies, procedures, and interpretations to promote orderly and efficient administration of your Group's *Agreement,* including this *EOC*.

Advance Directives

The California Health Care Decision Law offers several ways for you to control the kind of health care you will receive if you become very ill or unconscious, including the following:

- A *Power of Attorney for Health Care* lets you name someone to make health care decisions for you when you cannot speak for yourself. It also lets you write down your own views on life support and other treatments
- *Individual health care instructions* let you express your wishes about receiving life support and other treatment. You can express these wishes to your doctor and have them documented in your medical chart, or you can put them in writing and have that included in your medical chart

To learn more about advance directives, including how to obtain forms and instructions, contact the Member Services office at a Plan Facility. For more information about advance directives, refer to our website at **kp.org** or call Member Services.

Amendment of *Agreement*

Your Group's *Agreement* with us will change periodically. If these changes affect this *EOC*, your Group is required to inform you in accord with applicable law and your Group's *Agreement*.

Applications and Statements

You must complete any applications, forms, or statements that we request in our normal course of business or as specified in this *EOC*.

Assignment

You may not assign this *EOC* or any of the rights, interests, claims for money due, benefits, or obligations hereunder without our prior written consent.

Attorney and Advocate Fees and Expenses

In any dispute between a Member and Health Plan, the Medical Group, or Kaiser Foundation Hospitals, each party will bear its own fees and expenses, including attorneys' fees, advocates' fees, and other expenses.

Claims Review Authority

We are responsible for determining whether you are entitled to benefits under this *EOC* and we have the discretionary authority to review and evaluate claims that arise under this *EOC*. We conduct this evaluation independently by interpreting the provisions of this *EOC*. We may use medical experts to help us review claims. If coverage under this *EOC* is subject to the Employee Retirement Income Security Act ("ERISA") claims procedure regulation (29 CFR 2560.503-1), then we are a "named claims fiduciary" to review claims under this *EOC*.

EOC Binding on Members

By electing coverage or accepting benefits under this *EOC*, all Members legally capable of contracting, and the legal representatives of all Members incapable of contracting, agree to all provisions of this *EOC*.

ERISA Notices

This "ERISA Notices" section applies only if your Group's health benefit plan is subject to the Employee Retirement Income Security Act ("ERISA"). We provide these notices to assist ERISA-covered groups in complying with ERISA. Coverage for Services described in these notices is subject to all provisions of this *EOC*.

Newborns' and Mothers' Health Protection Act

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any

hospital length of stay in connection with childbirth for the birthing person or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the birthing person's or newborn's attending provider, after consulting with the birthing person, from discharging the birthing person or their newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

Women's Health and Cancer Rights Act

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act. For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for all stages of reconstruction of the breast on which the mastectomy was performed, surgery and reconstruction of the other breast to produce a symmetrical appearance, prostheses, and treatment of physical complications of the mastectomy, including lymphedemas. These benefits will be provided subject to the same Cost Share applicable to other medical and surgical benefits provided under this plan.

Governing Law

Except as preempted by federal law, this *EOC* will be governed in accord with California law and any provision that is required to be in this *EOC* by state or federal law shall bind Members and Health Plan whether or not set forth in this *EOC*.

Group and Members Not Our Agents

Neither your Group nor any Member is the agent or representative of Health Plan.

No Waiver

Our failure to enforce any provision of this *EOC* will not constitute a waiver of that or any other provision, or impair our right thereafter to require your strict performance of any provision.

Notices Regarding Your Coverage

Our notices to you will be sent to the most recent address we have for the Subscriber. The Subscriber is responsible for notifying us of any change in address. Subscribers who move should call Member Services as soon as possible to give us their new address. If a Member does not reside with the Subscriber, or needs to have confidential information sent to an address other than the Subscriber's address, they should call Member Services to discuss alternate delivery options.

Note: When we tell your Group about changes to this *EOC* or provide your Group other information that affects you, your Group is required to notify the Subscriber within 30 days (or five days if we terminate your Group's *Agreement*) after receiving the information from us. The Subscriber is also responsible for notifying Group of any change in contact information.

Overpayment Recovery

We may recover any overpayment we make for Services from anyone who receives such an overpayment or from any person or organization obligated to pay for the Services.

Privacy Practices

Kaiser Permanente will protect the privacy of your protected health information. We also require contracting providers to protect your protected health information. Your protected health information is individually-identifiable information (oral, written, or electronic) about your health, health care services you receive, or payment for your health care. You may generally see and receive copies of your protected health information, correct or update your protected health information, and ask us for an accounting of certain disclosures of your protected health information.

You can request delivery of confidential communication to a location other than your usual address or by a means of delivery other than the usual means. You may request confidential communication by completing a confidential communication request form, which is available on **kp.org** under "Request for confidential communications forms." Your request for confidential communication will be valid until you submit a revocation or a new

request for confidential communication. If you have questions, please call Member Services.

We may use or disclose your protected health information for treatment, health research, payment, and health care operations purposes, such as measuring the quality of Services. We are sometimes required by law to give protected health information to others, such as government agencies or in judicial actions. In addition, protected health information is shared with your Group only with your authorization or as otherwise permitted by law.

We will not use or disclose your protected health information for any other purpose without your (or your representative's) written authorization, except as described in our *Notice of Privacy Practices* (see below). Giving us authorization is at your discretion.

This is only a brief summary of some of our key privacy practices. OUR *NOTICE OF PRIVACY PRACTICES*, WHICH PROVIDES ADDITIONAL INFORMATION ABOUT OUR PRIVACY PRACTICES AND YOUR RIGHTS REGARDING YOUR PROTECTED HEALTH INFORMATION, IS AVAILABLE AND WILL BE FURNISHED TO YOU UPON REQUEST. To request a copy, please call Member Services. You can also find the notice at a Plan Facility or on our website at **kp.org**.

ASH Participating Providers

PLEASE READ THE FOLLOWING INFORMATION SO YOU WILL KNOW FROM WHOM OR WHAT GROUP OF PROVIDERS HEALTH CARE MAY BE OBTAINED.

ASH Plans contracts with ASH Participating Providers and other licensed providers to provide the Services covered under this Amendment (including laboratory tests, X-rays, and chiropractic supports and appliances). You must receive Services covered under this Amendment from an ASH Participating Provider or another licensed provider with which ASH contracts to provide covered care, except for Services covered under "Emergency and Urgent Services Covered Under this Amendment" in the "Covered Services" section and Services that are not available from contracted providers and that are authorized in advance by ASH Plans.

How to Obtain Services

To obtain Services covered under this Amendment call an ASH Participating Provider to schedule an initial examination. If additional Services are required after the initial examination, verification that the Services are Medically Necessary may be required, as described under "Decision time frames" below. Your ASH Participating Provider will request any required medical necessity determinations. An ASH Plans clinician in the same or similar specialty as the provider of Services under review will determine whether the Services are or were Medically Necessary Services.

Decision time frames

The ASH Plans' clinician will make the authorization decision within the time frame appropriate for your condition, but no later than five business days after receiving all of the information (including additional examination and test results) reasonably necessary to make the decision, except that decisions about urgent Services will be made no later than 72 hours after receipt of the information reasonably necessary to make the decision. If ASH Plans needs more time to make the decision because it doesn't have information reasonably necessary to make the decision, or because it has requested consultation by a particular specialist, you and your ASH Participating Provider will be informed in writing about the additional information, testing, or specialist that is needed, and the date that ASH Plans expects to make a decision.

Your ASH Participating Provider will be informed of the decision within 24 hours after the decision is made. If the Services are authorized, your ASH Participating Provider will be informed of the scope of the authorized Services. If ASH Plans does not authorize all of the Services, ASH Plans will send you a written decision and explanation, including the rationale for the decision and the criteria used to make the decision, within two business days after the decision is made. The letter will also include information about your appeal rights, which are

described in the "Coverage Decisions, Appeals, and Complaints" section of your Health Plan *EOC* for Kaiser Permanente Senior Advantage Members, and "Dispute Resolution" section of your Health Plan *EOC* for all other Members. Any written criteria that ASH Plans uses to make the decision to authorize, modify, delay, or deny the request for authorization will be made available to you upon request. If you have questions or concerns, please contact ASH Plans or Kaiser Permanente as described under "Customer Service" in this Amendment.

Covered Services

We cover the Services listed in this "Covered Services" section, subject to exclusions described in the "Exclusions" section, only if all of the following conditions are satisfied:

- You are a Member on the date that you receive the Services
- ASH Plans has determined that the Services are Medically Necessary, except for:
  - the initial examination described under "Office Visits" in this "Covered Services" section
  - Services covered under "Emergency and Urgent Services Covered Under this Amendment" in this "Covered Services" section
- You receive the Services from ASH Participating Providers or other licensed providers with which ASH contracts to provide covered care, except for:
  - Services covered under "Emergency and Urgent Services Covered Under this Amendment" in this "Covered Services" section
  - Services that are not available from ASH Participating Providers or other licensed providers with which ASH contracts to provide covered care and that are authorized in advance by ASH Plans

When you receive covered Services, you must pay the Cost Share listed in this "Covered Services" section. If you receive Services that are not covered under this Amendment, you may be liable for the full price of those Services.

Note: If Charges for Services are less than the Copayment described in this "Covered Services" section, you will pay the lesser amount.

The Cost Share you pay for Services covered under this Amendment does not apply toward any Plan Deductible or Plan Out-of-Pocket Maximum described in your Health Plan *EOC*.

If you have questions about your Cost Share for specific Services that you are scheduled to receive or that your provider orders during a visit or procedure, please call the ASH Plans Customer Service Department toll free at **1-800-678-9133** (TTY users call **711**) weekdays from 5 a.m. to 6 p.m.

Coverage of Acupuncture Services under this Amendment is different from the coverage of acupuncture Services under your Health Plan *EOC*. You do not need a referral to get covered Services under this Amendment, but covered Services and your Cost Share may differ from those under your Health Plan *EOC*. If you receive acupuncture Services for which you have a referral (as described under "Getting a Referral" in the "How to Obtain Services" section of the *EOC*), then unless you tell us otherwise, we will assume that you are using your coverage under your Health Plan *EOC*.

If you are a Kaiser Permanente Senior Advantage Member, refer to your Health Plan *EOC* for information about the chiropractic Services that we cover in accord with Medicare guidelines, which are separate from the Services covered under this Amendment.

Office Visits

We cover up to a combined total of 20 of the following types of office visits per 12-month period at **a $15 Copayment per visit:**

- **Initial chiropractic examination:** An examination performed by an ASH Participating Provider to determine the nature of your problem (and, if appropriate, to prepare a Treatment Plan), and to provide Medically Necessary Chiropractic Services, which may include an adjustment and adjunctive therapy. We cover an initial examination only if you have not already received covered Chiropractic Services from an ASH Participating Provider in the same 12-month period for your Musculoskeletal and Related Disorder
- **Subsequent chiropractic office visits:** Subsequent ASH Participating Provider office visits for Chiropractic Services that are determined to be Medically Necessary by an ASH Plans clinician. These subsequent office visits may include an adjustment, adjunctive therapy, and a re-examination to assess the need to continue, extend, or change a Treatment Plan
- **Initial acupuncture examination:** An examination performed by an ASH Participating Provider to determine the nature of your problem (and, if appropriate, to prepare a Treatment Plan), and to provide Medically Necessary Acupuncture Services.

We cover an initial examination only if you have not already received covered Acupuncture Services from an ASH Participating Provider in the same 12-month period for your Musculoskeletal and Related Disorder, nausea, or pain

- **Subsequent acupuncture office visits:** Subsequent ASH Participating Provider office visits for Acupuncture Services that are determined to be Medically Necessary by an ASH Plans clinician, which may include a re-examination to assess the need to continue, extend, or change a Treatment Plan

Each office visit counts toward any visit limit, if applicable.

Laboratory Tests and X-rays

We cover Medically Necessary laboratory tests and X-rays when prescribed as part of covered chiropractic care described under "Office Visits" in this "Covered Services" section at **no charge** when an ASH Participating Provider provides the Services or refers you to another licensed provider with which ASH contracts to provide covered Services.

Chiropractic Supports and Appliances

We provide a **$50 Allowance per 12-month period** toward the ASH Plans fee schedule price for chiropractic appliances listed in this paragraph when the item is prescribed and provided to you by an ASH Participating Provider as part of covered chiropractic care described under "Office Visits" in this "Covered Services" section. If the price of the items in the ASH Plans fee schedule exceeds $50 (the Allowance), you will pay the amount in excess of $50 (and that payment does not apply toward the Plan Out-of-Pocket Maximum described in your Health Plan *EOC*). Covered chiropractic appliances are limited to: elbow supports, back supports (thoracic), cervical collars, cervical pillows, heel lifts, hot or cold packs, lumbar braces and supports, lumbar cushions, orthotics, wrist supports, rib belts, home traction units (cervical or lumbar), ankle braces, knee braces, rib supports, and wrist braces.

Second Opinions

You may request a second opinion in regard to covered Services by contacting another ASH Participating Provider. Your visit to another ASH Participating Provider for a second opinion generally will count toward any visit limit, if applicable. An ASH Participating Provider may also request a second opinion in regard to covered Services by referring you to another ASH Participating Provider in the same or similar specialty. When you are referred by an ASH Participating Provider to another ASH Participating Provider for a second opinion, your visit to the other ASH Participating Provider will not count toward any visit limit, if applicable. An authorization or denial of your request for a second opinion will be provided in an expeditious manner, as appropriate for your condition. If your request for a second opinion is denied, you will be notified in writing of the reasons for the denial, and of your right to file a grievance as described under "Grievances" in this Amendment.

OVERVIEW OF DENTAL BENEFITS

This section provides information that will give You a better understanding of how this Plan works and how to make it work best for You.

What is the DeltaCare USA Plan?

The DeltaCare USA Plan provides Pediatric Benefits through a convenient network of Contract Dentists within the Delta Dental Service Area in the state of California. The DeltaCare USA Network is comprised of established dental professionals who are screened to ensure that Our standards of quality, access and safety are maintained. When You visit Your assigned Contract Dentist, You pay only the applicable Copayment(s) for Benefits. There are no deductibles, lifetime maximums or claim forms.

Benefits, Limitations and Exclusions

This Plan provides the Benefits described in the Schedules that are a part of this EOC. Except for Emergency Dental Services, Urgent Dental Services and authorized Specialist Services, Benefits are only available in the state of California. Covered dental services are performed as deemed appropriate by Your assigned Contract Dentist.

Copayments and Other Charges

You are required to pay any Copayments listed in Schedule A attached to this EOC. Copayments are paid directly to the Contract Dentist who provides treatment. Charges for broken appointments (unless notice is received by the Contract Dentist at least 24 hours in advance or an Emergency Dental Condition prevented such notice) and charges for visits after normal visiting hours are listed in the Schedules attached to this EOC.

In the event that We fail to pay a Contract Dentist, You will not be liable to that Dentist for any sums owed by Us. By statute, the DeltaCare USA Dentist agreement contains a provision prohibiting them from charging You for any sums owed by Us. Except for Emergency Dental Services, Urgent Dental Services and authorized Specialist Services, if You receive treatment from an Out-of-Network Dentist and We fail to pay that Out-of-Network Dentist, You may be liable to that Out-of-Network Dentist for the cost of services received. For further clarification, refer to the "Emergency Dental Services," "Urgent Dental Services" and "Specialist Services" provisions in this EOC.

We recommend keeping a record of payment for Pediatric Benefits. However, You may request anytime an up-to-date accrual balance toward Your OOPM. If You would like to request this accrual information, please call 800-589-4618. It will be mailed to the address on file unless You elect to receive it electronically.

Non-Covered Services

IMPORTANT: If You opt to receive dental services that are not covered services under this Plan, a Contract Dentist may charge You their usual and customary rate for those services. Prior to providing You with dental services that are not a covered Benefit, the Dentist should provide You with a treatment plan that includes each anticipated service to be provided and the estimated cost of each service. If You would like more information about Your dental coverage options, You may call Our Customer Care at 800-589-4618. To fully understand Your coverage, You may wish to carefully review this EOC.

Coordination of Benefits

We coordinate the Benefits under this EOC with Your benefits covered under any other group or pre-paid plan or insurance policy designed to fully integrate with other plans. If this plan is the "primary" plan, We will not reduce Benefits, but if this plan is the "secondary" plan, We determine Benefits after those of the primary plan and will pay the lesser of the amount that We would pay in the absence of any other dental benefit coverage or the Enrollee's total out-of-pocket cost under the primary plan for Benefits covered under this EOC.

How do We determine which Plan is the "primary" plan?

1) The plan covering the Enrollee as an employee is primary over a plan covering the Enrollee as a dependent.
2) The plan covering the Enrollee as an employee is primary over a plan covering the insured person as a dependent. However, if the insured person is also a Medicare beneficiary, and as a result of the rule established by Title XVIII of the Social Security Act and implementing regulations, Medicare is secondary to the plan covering the insured person as a dependent; and primary to the plan covering the insured person as other than a dependent (e.g. a retired employee), then the benefits of the plan covering the insured person as a dependent are determined before those of the plan covering that insured person as other than a dependent.
3) Except as stated in paragraph (4), when this plan and another plan cover the same child as a dependent of different persons, called parents:

a) the benefits of the plan of the parent whose birthday falls earlier in a year are determined before those of the plan of the parent whose birthday falls later in that year; but

b) if both parents have the same birthday, the benefits of the plan covering one parent longer are determined before those of the plan covering the other parent for a shorter period of time.

c) However, if the other plan does not have the birthday rule described above, but instead has a rule based on the gender of the parent, and if, as a result, the plans do not agree on the order of benefits, the rule in the other plan determines the order of benefits.

4) In the case of a dependent child of legally separated or divorced parents, the plan covering the Enrollee as a dependent of the parent with legal custody or as a dependent of the custodial parent's Spouse (i.e. step-parent) will be primary over the plan covering the Enrollee as a dependent of the parent without legal custody. If there is a court decree establishing financial responsibility for the health care expenses with respect to the child, the benefits of a plan covering the child as a dependent of the parent with such financial responsibility will be determined before the benefits of any other policy covering the child as a dependent child.

5) If the specific terms of a court decree state that the parents will share joint custody without stating that one of the parents is responsible for the health care expenses of the child, the plans covering the child will follow the order of benefit determination rules outlined in paragraph (3).

6) The benefits of a plan covering an insured person as an employee who is neither laid-off nor retired are determined before those of a plan covering that insured person as a laid-off or retired employee. The same would hold true if an insured person is a dependent of a person covered as a retiree or an employee. If the other plan does not have this rule, and if, as a result, the plans do not agree on the order of benefits, this rule (6) is ignored.

7) If an insured person whose coverage is provided under a right of continuation pursuant to federal or state law also is covered under another plan, the following will be the order of benefit determination.

a) First, the benefits of a plan covering the insured person as an employee (or as that insured person's dependent).

b) Second, the benefits under the continuation coverage.

c) If the other plan does not have the rule described above, and if, as a result, the plans do not agree on the order of benefits, this rule (7) is ignored.

8) If none of the above rules determines the order of benefits, the benefits of the plan covering an employee longer are determined before those of the plan covering that insured person for the shorter term.

9) When determination cannot be made in accordance with the above for Pediatric Benefits, the benefits of a plan that is a medical plan covering dental as a benefit will be primary to a dental only plan.

HOW TO USE THE DELTACARE USA PLAN/CHOICE OF CONTRACT DENTIST

PLEASE READ THE FOLLOWING INFORMATION SO THAT YOU WILL KNOW HOW TO OBTAIN DENTAL SERVICES. YOU MUST OBTAIN DENTAL BENEFITS FROM (OR BE REFERRED FOR SPECIALIST SERVICES BY) YOUR ASSIGNED CONTRACT DENTIST.

We will provide You with Contract Dentists at convenient locations within the Delta Dental Service Area in the state of California during the Contract Term. Upon enrollment, We will assign You to a Contract Dentist facility. You may request changes to Your assigned Contract Dentist facility by calling Our Customer Care at 800-589-4618. A list of Contract Dentists is available to all Enrollees at **deltadentalins.com**. When searching online for a Contract Dentist, select the DeltaCare USA Network to ensure You have the list of Contract Dentists applicable to Your plan. Your change must be requested prior to the 15th of the month to become effective on the first day of the following month.

We will provide You with a written notice of assignment to another Contract Dentist facility near Your home if: 1) a requested facility is closed to further enrollment; 2) a chosen Contract Dentist facility withdraws from this Plan or 3) an assigned facility requests, for good cause, that You be re-assigned to another Contract Dentist facility.

All Treatment in Progress must be completed before You change to another Contract Dentist facility. Examples include: 1) teeth that have been prepared for crowns, 2) root canals where a working length has been established,

3) full or partial dentures for which an impression has been taken and 4) orthodontics when bands have been placed and tooth movement has begun.

All covered services must be performed at Your assigned Contract Dentist facility. Specialist Services obtained from a Contract Orthodontist or Contract Specialist must be referred by Your Contract Dentist. With the exception of Emergency Dental Services, Urgent Dental Services and authorized Specialist Services, this Plan does not pay for services by Out-of-Network Dentists. All authorized Specialist Services claims will be paid by Us, less any applicable Copayment(s).

If Your assigned Contract Dentist facility terminates participation in this Plan, that Contract Dentist facility will complete all Treatment in Progress, as described above. If, for any reason, Your Contract Dentist is unable to complete treatment, We will make reasonable and appropriate provisions for the completion of such treatment by another Contract Dentist.

We will give You reasonable advance written notice if You will be materially or adversely affected by the termination, breach of contract or inability of a Contract Dentist to perform services.

Continuity of Care

If You are a current Enrollee, You may have the right to obtain completion of care under the Contract with Your terminated Contract Dentist for certain specified dental conditions. If You are a new Enrollee, You may have the right to completion of care under the Contract with Your Out-of-Network Dentist for certain specified dental conditions. You must make a specific request for this completion of care Benefit. To make a request, Customer Care at 800-589-4618. You may also contact Us to request a copy of Our *Continuity of Care Policy*. We are not required to continue care with the Dentist if You are not eligible under the Contract or if We cannot reach agreement with the Out-of-Network Dentist or the terminated Contract Dentist on the terms regarding Enrollee care in accordance with California law.

Emergency Dental Services

Emergency Dental Services are used for palliative relief, controlling of dental pain, and/or stabilizing the Enrollee's condition. Your assigned Contract Dentist's facility maintains a 24 hour emergency dental services system, 7 days a week. If You are experiencing an Emergency Dental Condition, You can call 911 (where available) or obtain Emergency Dental Services from any Dentist without a referral.

After Emergency Dental Services are received, further non-emergency treatment is usually needed. Non-emergency treatment must be obtained at Your assigned Contract Dentist facility.

You are responsible for any Copayment(s) for Emergency Dental Services received. You are also financially responsible for non-covered services. Non-covered services will not be paid by this Plan.

Urgent Dental Services

Inside the Delta Dental Service Area

An Urgent Dental Service requires prompt dental attention but it is not an Emergency Dental Condition. If You believe that You may need Urgent Dental Services, You can call Your assigned Contract Dentist during normal business hours or after hours.

Outside the Delta Dental Service Area

If You need Urgent Dental Services due to an unforeseen dental condition or injury, this Plan covers medically necessary dental services when prompt attention is required from an Out-of-Network Dentist, if all of the following are true:

- You received Urgent Dental Services from an Out-of-Network Dentist while temporarily outside the Delta Dental Service Area.
- You believed that Your health would seriously deteriorate if You delayed treatment until You returned to the Delta Dental Service Area.

You do not need prior Authorization from Us to receive Urgent Dental Services outside the Delta Dental Service Area. Any Urgent Dental Services You received from an Out-of-Network Dentist while outside of the Delta Dental Service

Area are covered by this Plan if the Benefits would have been covered if You had received them from a Contract Dentist.

We do not cover follow-up care from an Out-of-Network Dentist after You no longer need Urgent Dental Services. To obtain follow-up care from a Dentist, You can call Your assigned Contract Dentist. You are responsible for any Copayment(s) for Urgent Dental Services received.

Timely Access to Care

Contract Dentists, Contract Orthodontists and Contract Specialists have agreed waiting times to Enrollees for appointments for care which will never be greater than the following timeframes:

- for emergency care, 24 hours a day, 7 day days a week;
- for any urgent care, 72 hours for appointments consistent with the Enrollee's individual needs;
- for any non-urgent care, 36 business days; and
- for any preventive services, 40 business days.

During non-business hours, You have access to Your Contract Dentist's answering machine, answering service, cell phone or pager for guidance on what to do and whom to contact for Urgent Dental Services or if You are calling due to an Emergency Dental Condition including while outside the Delta Dental Service Area.

If You call Our Customer Care, a representative will answer Your call within 10 minutes during normal business hours.

Language Assistance Services

We offer qualified interpretation services to limited-English proficient Enrollees at no cost to the Enrollee, at all points of contact, in any modern language including when an Enrollee is accompanied by a family member or friend who can provide language interpretation services.

If You need language interpretation services, materials translated into Your preferred language or into an alternative format, please call Customer Care at 800-589-4618 (TTY: 711). You may also visit the provider directory on Our website which includes self-reported languages by DeltaCare USA Dentists.

Specialist Services

Specialist Services for oral surgery, endodontics, orthodontics, periodontics, or pediatric dentistry must be: 1) referred by Your assigned Contract Dentist, and 2) authorized by Us. You pay the specified Copayment(s). (Refer to the Schedules attached to this EOC.)

We pay claims for all authorized Specialist Services, less any applicable Copayment(s). If You require Specialist Services and a Contract Specialist or Contract Orthodontist is not within 35 miles of Your home address, Your assigned Contract Dentist must obtain prior Authorization from Us to refer You to an Out-of-Network specialist or Out-of-Network orthodontist to provide the Specialist Services. Specialist Services performed by an Out-of-Network specialist or an Out-of-Network orthodontist that are not authorized by Us will not be covered by this Plan. If the services of a Contract Orthodontist are needed, please refer to the Schedules attached to this EOC to determine Benefits available to You under this Plan.

A Contract Dentist may provide Specialist Services either personally, or through associated Dentists, technicians or hygienists who may lawfully perform the services. If You are assigned to a dental school clinic for Specialist Services, those services may be provided by a Dentist, a dental student, a clinician or a dental instructor.

Claims for Reimbursement

Claims for covered Emergency Dental Services, Urgent Dental Services and authorized Specialist Services should be sent to Us within 90 days of the end of treatment. Valid claims received after the 90-day period will be reviewed if You can show that it was not reasonably possible to submit the claim within that time. All dental claim submissions must be received within one (1) year of the treatment date. The address for claims submission is: Delta Dental Claims Department, P.O. Box 1810, Alpharetta, GA 30023.

Dentist Compensation

A Contract Dentist is compensated by Us through monthly capitation (an amount based on the number of Enrollees assigned to the Contract Dentist) and by Enrollees through required Copayments for treatment received. A Contract

Specialist and Contract Orthodontist are compensated by Us through an agreed-upon amount for each covered procedure, less the applicable Copayment(s) paid by You. In no event do We pay a Contract Dentist, a Contract Specialist or a Contract Orthodontist any incentive as an inducement to deny, reduce, limit or delay any appropriate treatment.

You may obtain further information concerning Dentist compensation by calling Us at 800-589-4618.

Processing Policies

The dental care guidelines for this Plan explain to Contract Dentists what services are covered under the dental agreement. Contract Dentists, Contract Specialists and Contract Orthodontists will use their professional judgment to determine which services are appropriate for the Enrollee. Services performed by a Contract Dentist, Contract Specialist and Contract Orthodontist that fall under the scope of Benefits of this Plan are provided subject to any Copayment(s). If a Contract Dentist believes that an Enrollee should seek treatment from a specialist, the Contract Dentist will contact Us to determine if the proposed treatment is a covered Benefit and if it requires treatment by a Contract Specialist. You may call Customer Care at 800-589-4618 for information about this Plan's dental care guidelines.

A Benefit appropriately provided through Teledentistry is covered on the same basis and to the same extent that the Benefit is covered through in-person diagnosis, consultation, or treatment.

Renewal and Termination of Coverage

Please refer to Your MPI *Evidence of Coverage* for further information regarding the renewal and termination of this Plan.

Second Opinion

You may request a second opinion if You disagree with or question the diagnosis and/or treatment plan determination made by Your Contract Dentist. We may also request that You obtain a second opinion to verify the necessity and appropriateness of dental treatment or the application of Benefits.

Second opinions will be performed by a licensed Dentist in a timely manner, appropriate to the nature of Your condition. Requests involving an Emergency Dental Condition will be expedited (Authorization approved or denied within 72 hours of receipt of the request, whenever possible). For assistance or additional information regarding the procedures and timeframes for second opinion Authorizations, call Customer Care at 800-589-4618 or write to Us.

Second opinions will be provided at another Contract Dentist facility, unless otherwise authorized by Us. We will authorize a second opinion by an Out-of-Network Dentist if an appropriately qualified Contract Dentist is not available. We will only pay for a second opinion that We have approved or authorized. You will be sent written notification should We decide not to authorize a second opinion. If You disagree with this determination, You may file a grievance with Us or with the DMHC. Refer to the "Enrollee Complaint Procedure" section in this EOC for more information.

Special Health Care Needs

If You believe You have a Special Health Care Need, You should call Customer Care at 800-589-4618. We will confirm whether such a Special Health Care Need exists and what arrangements can be made to assist You in obtaining such Benefits.

We will not be responsible for the failure of any Contract Dentist to comply with any law or regulation concerning structural office requirements that apply to a Dentist treating persons with Special Health Care Needs.

Facility Accessibility

Many dental facilities provide Us with information about special features of their offices, including accessibility information for patients with mobility impairments. To obtain information regarding facility accessibility, call Customer Care at 800-589-4618 or visit Our website at **deltadentalins.com**.

ENROLLEE COMPLAINT PROCEDURE

Complaints regarding dental services:

We, or Our Administrator, will notify You if any dental services or claims are denied, in whole or in part, stating the specific reason(s) for the denial. If You have a complaint regarding the denial of dental services or Our claims, policies, procedures or operations or the quality of dental services performed by Your Contract Dentist, You may call Customer Care at **800-589-4618**, complete and submit a **DeltaCare USA Enrollee Grievance Form** online or mail Your grievance to:

Delta Dental of California
Quality Management Department
P.O. Box 997330
Sacramento, CA 95899

Written communication must include: 1) the patient's name, 2) the Pediatric Enrollee's address, telephone number and ID number 3) the Contractholder's name and 4) the Contract Dentist's name and facility location.

"Grievance" means a written or oral expression of dissatisfaction regarding the plan and/or provider, including quality of care concerns, and includes a complaint, dispute, request for reconsideration or appeal made by an Enrollee or an Enrollee's representative. Where this Plan is unable to distinguish between a grievance and an inquiry, it will be considered a grievance.

"Complaint" is the same as "grievance."

"Complainant" is the same as "grievant" and means the person who filed the grievance including the Enrollee, a representative designated by the Enrollee or other individual with authority to act on behalf of the Enrollee.

Within five (5) calendar days of the receipt of any complaint, a quality management coordinator will forward to You a written acknowledgment of the complaint, which will include the date of receipt and plan contact information. Certain complaints may require that You be referred to a Dentist for clinical evaluation of the dental services provided. We will forward to You a determination, in writing, within 30 calendar days of Our receipt of Your complaint.

Our grievance system ensures all plan Enrollees have access to and can fully participate in Our grievance process by providing assistance for those with limited-English proficiency or with visual or other communicative impairments. Such assistance includes, but is not limited to, translations of grievance procedures, forms and plan responses to grievances as well as access to interpreters, telephone relay systems and other devices that aid disabled individuals to communicate. If You are in need of these services and/or have questions about Our grievance process, please call Customer Care at **800-589-4618 (TTY: 711)** and/or visit Our website at **deltadentalins.com** to complete and submit a **DeltaCare USA Enrollee Grievance Form**.

Our grievance system allows Enrollees to file grievances for at least 180 calendar days following any incident or action that is the subject of the Enrollee's dissatisfaction. We do not discriminate against any Enrollee (including cancellation of the Contract) on the grounds that the complainant filed a grievance.

You may file a complaint with the DMHC after completing Our grievance process or if You have been involved in Our grievance process for more than 30 days. You may seek assistance or file a grievance immediately with the DMHC in cases involving an imminent and serious threat to Your health including, but not limited to, severe pain, potential loss of life, limb or major bodily function. In such case, We will provide You with a written statement on the disposition or pending status of Your grievance no later than three (3) calendar days from the date of Our receipt of Your grievance. You may file a complaint with the DMHC immediately if You are experiencing an Emergency Dental Condition.

Complaints Involving an Adverse Benefit Determination

If the review of a denial is based in whole or in part on a lack of medical necessity, experimental treatment, or a clinical judgment in applying the terms of this Policy, We will consult with a Dentist who has appropriate training and experience. If any consulting Dentist is involved in the review, the identity of such consulting Dentist will be available upon request. If You believe that the decision was denied on the grounds that it was not medically

necessary, You may contact the DMHC to determine if the decision is eligible for an independent medical review. You will not be discriminated against in any way by Us for filing a grievance.

California law requires that We provide You with the following information:

The CA Department of Managed Health Care is responsible for regulating health care service plans. If You have a grievance against Your health plan, You should first telephone Your health plan at **800-589-4618** and use Your health plan's grievance process before contacting the department. Utilizing this grievance procedure does not prohibit any potential legal rights or remedies that may be available to You. If You need help with a grievance involving an emergency, a grievance that has not been satisfactorily resolved by Your health plan, or a grievance that has remained unresolved for more than 30 days, You may call the department for assistance. You may also be eligible for an Independent Medical Review (IMR). If You are eligible for IMR, the IMR process will provide an impartial review of medical decisions made by a health plan related to the medical necessity of a proposed service or treatment, coverage decisions for treatments that are experimental or investigational in nature and payment disputes for emergency or urgent medical services. The department also has a toll-free telephone number **(1-888-466-2219)** and a TDD line **(1-877-688-9891)** for the hearing and speech impaired. The department's internet website www.dmhc.ca.gov has complaint forms, IMR application forms and instructions online.

Organ and Tissue Donation

Donating organ and tissue provides many societal benefits. Organ and tissue donation allows recipients of transplants to go on to lead fuller and more meaningful lives. Currently, the need for organ transplants far exceeds availability. If You are interested in organ donation, please speak to Your physician. Organ donation begins at the hospital when a person is pronounced brain dead and identified as a potential organ donor. An organ procurement organization will become involved to coordinate the activities.

SCHEDULE A

Description of Benefits and Copayments for Pediatric Enrollees (Under Age 19)

DeltaCare® USA

Children's Dental HMO

For Small Businesses

The Benefits shown below are performed as needed and deemed appropriate by the attending Contract Dentist subject to the limitations and exclusions of the DeltaCare USA Plan. Please refer to Schedule B for further clarification of Benefits. Enrollees should discuss all treatment options with their Contract Dentist prior to services being rendered.

Text that appears in italics below is specifically intended to clarify the delivery of Benefits under this Plan and is not to be interpreted as Current Dental Terminology ("CDT"), CDT-2022 Procedure Codes, descriptors or nomenclature which is under copyright by the American Dental Association® ("ADA"). The ADA may periodically change CDT codes or definitions. Such updated codes, descriptors and nomenclature may be used to describe these covered procedures in compliance with federal legislation.

Out-of-Pocket Maximum ("OOPM") for Pediatric Enrollees (Under Age 19):

Pediatric Enrollee……	$350.00 each Contract Year
Multiple Pediatric Enrollees……	$700.00 each Contract Year

OOPM means the maximum amount of money that a Pediatric Enrollee must pay for Pediatric Benefits under this Plan during a Contract Year. Payment for Premiums and payment for services that are Optional, that are upgraded treatments or that are not covered under the Contract will not count toward the OOPM and payment for such services will continue to apply even after the OOPM is met.

If more than one Pediatric Enrollee is covered on the Contract, the financial obligation for Pediatric Benefits is not more than the OOPM for multiple Pediatric Enrollees. After a Pediatric Enrollee meets their OOPM, they will have no further payment for the remainder of the contract year for Pediatric Benefits. Once the amount paid by all Pediatric Enrollee(s) equals the OOPM for multiple Pediatric Enrollees, no further payment will be required by any of the Pediatric Enrollee(s) for the remainder of the contract year for Pediatric Benefits.

Delta Dental recommends that the Pediatric Enrollee or other party responsible keep a record of payment for Pediatric Benefits. If you have any questions regarding your OOPM, please contact Delta Dental's Customer Care at **800-589-4618**.

Endnotes:

If services for a listed procedure are performed by the assigned Contract Dentist, the Enrollee pays the specified Copayment(s). Listed procedures which require a Dentist to provide Specialist Services, and are referred by the assigned Contract Dentist, must be authorized by Delta Dental. The Enrollee pays the Copayment(s) specified for such services.

Optional or upgraded procedure(s) are defined as any alternative procedure(s) presented by the Contract Dentist and formally agreed upon by financial consent that satisfies the same dental need as a covered procedure. Enrollee may elect an Optional or upgraded procedure, subject to the limitations and exclusions of this Plan. The applicable charge to the Enrollee is the difference between the Contract Dentist's regularly charged fee (or contracted fee, when applicable) for the Optional or upgraded procedure and the covered procedure, plus any applicable Copayment(s) for the covered procedure.

Example of an Optional or upgraded procedure:

- If the Enrollee chooses an Optional or upgraded procedure presented by the Contract Dentist,

- Where noble (D6061, D6064, D6071, D6074, D6083, D6087, D6099, D6122); high noble (precious) (D6059, D6062, D6066, D6067, D6069, D6072, D6076, D6077); or titanium (D6084, D6088, D6094, D6097, D6194, D6195, D6784) metals are used for an implant/abutment supported crown or fixed bridge retainer; and
- An additional laboratory fee is charged by the Contract Dentist.

Then the Enrollee will be responsible for the fee charged by the laboratory which equals the difference between the higher cost of the Optional service and the lower cost of the customary service or standard procedure.

3. Administration of these plan designs must comply with requirements of the pediatric dental EHB benchmark plan, including coverage of services in circumstances of medical necessity as defined in the Early Periodic Screening, Diagnosis and Treatment ("EPSDT") Benefit.

SCHEDULE B
Limitations and Exclusions of Benefits for Pediatric Enrollees (Under age 19)
DeltaCare® USA
Children's Dental HMO
For Small Businesses

Limitations of Benefits for Pediatric Enrollees

1. The frequency of certain Benefits is limited. All frequency limitations are listed in *Schedule A, Description of Benefits and Copayments for Pediatric Enrollees* ("Schedule A"). Additional requests, beyond the stated frequency limitations, for prophylaxis, fluoride and scaling procedures (D1110, D1120, D1206, D1208 and D4346) shall be considered for prior Authorization when documented medical necessity is justified due to a physical limitation and/or an oral condition that prevents daily oral hygiene.

2. A filling [D2140-D2161, D2330-D2335, D2391-D2394] is a Benefit for the removal of decay, for minor repairs of tooth structure or to replace a lost filling.

3. A crown [D2390 and covered codes only between D2710-D2791] is a Benefit when there is insufficient tooth structure to support a filling or to replace an existing crown that is non-functional or non-restorable and meets the five+ year (60+ months) limitation.

4. The replacement of an existing crown [D2390 and covered codes only between D2710-D2791], fixed partial denture (bridge) [covered codes only between D6211-D6245, D6251, D6721-D6791], or a removable full [D5110, D5120] or partial denture [covered codes only between D5211-D5214, D5221-D5224] is covered when:

   a. The existing restoration/bridge/denture is no longer functional and cannot be made functional by repair or adjustment, and
   b. Either of the following:
      - The existing non-functional restoration/bridge/denture was placed five or more years (60+ months) prior to its replacement, or
      - If an existing partial denture is less than five years old (60 months), but must be replaced by a new partial denture due to the loss of a natural tooth, which cannot be replaced by adding another tooth to the existing partial denture.

5. Coverage for the placement of a fixed partial denture (bridge) [covered codes only between D6211-D6245, D6251, D6721-D6791] or removable partial denture [covered codes only between D5211-D5214, D5221-D5224]:

   a. Fixed partial denture (bridge):
      - A fixed partial denture is a Benefit only when medical conditions or employment preclude the use of a removable partial denture.
      - The sole tooth to be replaced in the arch is an anterior tooth, and the abutment teeth are not periodontally involved, or
      - The new bridge would replace an existing, non-functional bridge utilizing identical abutments and pontics, or
      - Each abutment tooth to be crowned meets Limitation #3.
   b. Removable partial denture:
      - Cast metal (D5213, D5214, D5223, D5224), one or more teeth are missing in an arch.
      - Resin based (D5211, D5212, D5221, D5222), one or more teeth are missing in an arch and abutment teeth have extensive periodontal disease.

6. Immediate dentures [D5130, D5140, D5221–D5224] are covered when one or more of the following conditions are present:

   a. Extensive or rampant caries are exhibited in the radiographs, or
   b. Severe periodontal involvement indicated, or
   c. Numerous teeth are missing resulting in diminished chewing ability adversely affecting the Enrollee's health.

7. Maxillofacial prosthetic services [covered codes only between D5911-D5999] for the anatomic and functional reconstruction of those regions of the maxilla and mandible and associated structures that are missing or defective because of surgical intervention, trauma (other than simple or compound fractures), pathology, developmental or congenital malformations.

8. All maxillofacial prosthetic procedures [covered codes only between D5911-D5999] require prior authorization for medically necessary procedures.

9. Implant services [covered codes only between D6010-D6199] are a Benefit only under exceptional medical conditions. Exceptional medical conditions include, but are not limited to:

   a. Cancer of the oral cavity requiring ablative surgery and/or radiation leading to destruction of alveolar bone, where the remaining osseous structures are unable to support conventional dental prosthesis.
   b. Severe atrophy of the mandible and/or maxilla that cannot be corrected with vestibular extension procedures [D7340, D7350] or osseous augmentation procedures [D7950], and the Enrollee is unable to function with conventional prosthesis.

ENROLLEE NOTICES

Federal and state laws require enrollees to be notified on a periodic basis about enrollee rights and privacy practices. Below is a summary of the notices that are available under the legal or privacy section of our webpage. To access the most current version and the full text of each notice, please visit our website at deltadentalins.com.

Federal Notices:

- **HIPAA Notice of Privacy Practices (NPP):** Federal regulations require insurance plans to share information about the company's privacy practices. This is called a "Notice of Privacy Practices (NPP)" and should be read when an individual first becomes an enrollee and reviewed at least every three years thereafter.

- **Gramm-Leach-Bliley (GLB):** Financial institutions and insurance companies must describe how demographic and financial information is collected and shared. California requires a state specific notice called the California Financial Privacy Notice, which is described below under the State Notices section.

- **Notice of Non-Discrimination:** We comply with applicable federal civil rights laws and do not discriminate on the basis of race, color, national origin, age, disability, or sex, including sex stereotypes and gender identity. If you believe we have failed to provide these services or discriminated in another way on the basis of race, color, national origin, age, disability, or sex, you can file a grievance electronically online, over the phone with a customer service representative, or by mail.

- **Language Assistance Notice and Survey:** Delta Dental provides phone interpretation to callers who do not speak English. In California, Delta Dental will also provide, on request, a translated copy of certain vital documents in either Spanish or Chinese. In Maryland and Washington DC, enrollees may receive grievance materials in Spanish or Chinese.

State Notices:

- **CA Financial Privacy Notice:** This notice to Californians describes our demographic and financial information collection and sharing practices. It is similar to the Gramm-Leach-Bliley (GLB) notice described above.

- **CA Grievance Process:** This notice describes our procedure for processing and resolving enrollee grievances and gives the address and phone number to make a complaint. Californians are encouraged to read this notice when they first enroll and annually thereafter.

- **CA Timely Access to Care:** California law requires heath plans to provide timely access to care. This law sets limits on how long enrollees have to wait to get appointments and telephone assistance.
- **CA Tissue and Organ Donations:** This notice informs subscribers of the societal benefits of organ donation and the methods they can use to become organ and/or tissue donors. California regulations require every health plan to provide this information upon enrollment and annually thereafter.
