This chart only describes a summary of the benefits. For a complete understanding of benefits, please read the Kaiser Permanente Point-of-Service Disclosure Form and Evidence of Coverage and the Kaiser Permanente Insurance Company Schedule of Coverage and Certificate of Insurance. The Disclosure Form, Evidence of Coverage, Schedule of Coverage, and the Certificate of Insurance together contain a complete explanation of benefits, exclusions, and limitations. The information provided in this chart is not intended for use as a Summary Plan Description, the Disclosure Form, Evidence of Coverage, Schedule of Coverage, or the Certificate of Insurance.

Footnotes

- (1) Deductible amounts are separate for services provided by HMO in-network Provider, Participating Providers and Non-Participating Providers. This plan carries an embedded Deductible and Out-of-Pocket Maximum. Benefits become payable for each family member after their individual annual Deductible is met, or when the family Deductible is satisfied. Deductibles contribute towards satisfying the Out-of-Pocket Maximum. A family member can meet the individual annual Out-of-Pocket Maximum before the family Out-of-Pocket Maximum is satisfied.
- (2) Covered Charges applied to satisfy the Out-of-Pocket Maximum at the HMO in-network Provider Tier will not apply toward satisfaction of the Out-of-Pocket Maximum at the Participating Provider Tier or the Non-Participating Provider Tier. Likewise, Covered Charges applied to satisfy the Out-of-Pocket Maximum at the Participating Provider Tier will not apply toward satisfaction of the Out-of-Pocket Maximum at the HMO in-network Provider Tier or the Non-Participating Provider Tier will not apply toward satisfaction of the Out-of-Pocket Maximum at the HMO in-network Provider Tier or the Participating Provider Tier.
- (3) Exempt from Deductible.
- (4) Routine adult physical exams are limited to one exam every 12 months.
- (5) Routine prenatal care office visits are covered as required under the Patient Protection Affordable Care Act (PPACA). This includes the initial and subsequent histories, physical examinations, recording of weight, blood pressures, fetal heart tones, and routine chemical urinalysis.
- (6) Birth Services including delivery and inpatient care for mother and baby are covered under your inpatient services benefit.
- (7) Emergency medical services are covered under the HMO Tier. Non-emergency medical services received in an emergency care setting that are not covered under the HMO Tier may be eligible for coverage under the Participating Provider or Non-Participating Provider Tiers.
- (8) Telehealth care is provided where applicable and available via communication methods such as telephone, video, or email. Cost shares vary depending on the type of service provided and are equivalent to an in-person visit specific to that service except when using the HMO tier where the cost share is \$0 (no charge).
- (9) Pharmacy Copayment and Coinsurance are not subject to, nor do they contribute toward satisfaction of the Deductible. However, they do contribute toward the satisfaction of the Out-of-Pocket Maximum. Select prescription drugs are excluded from coverage.
- (10) Member is responsible for paying the brand name Copayment plus the difference in cost between the generic drug and the brand name drug when patient requests brand name drug and a generic version is prescribed by the physician.
- (11) Skilled Nursing Facility care is limited to a maximum of 60 days per benefit period combined for services provided by Participating Providers and Non-Participating Providers.
- (12) Home Health Care is limited to a maximum of 100 visits per accumulation period combined for services provided by Participating Providers and Non-Participating Providers.

- (13) Certain Durable Medical Equipment is limited to a maximum of \$2,000 per accumulation period combined for services provided by Participating Providers and Non-Participating Providers. Certain Durable Medical Equipment is not subject to the Deductible nor contributes to the Out-of-Pocket Maximum.
- (14) Some diabetic equipment and supplies such as: infusion set and syringe with needle for external insulin pumps, testing strips, lancets, skin barrier, adhesive remover wipes and transparent film are payable based on actual billed charges and are not subject to the DME annual maximum of \$2,000 per accumulation period.
- (15) Most items are not covered.
- (16) Specialty drugs are not eligible for mail order incentive and may not be available under the mail order service.
- (17) Non-preferred drugs are covered at a Kaiser Permanente pharmacy only when prescribed by Kaiser Permanente Plan Providers through exception process or when related to emergency care, out-of-area urgent care, or an authorized referral.
- (18) Online directories of Participating Providers can be found by visiting kp.org/kpic/pos.
- (19) An online directory of Pharmacies can be found by visiting kp.org/pharmacylocator/pos.
- (20) The visit maximum does not apply to medically necessary treatment of Mental Health and Substance Use Disorder.
- (21) Benefits payable for diagnosis and treatment of infertility and fertility services are covered on the same basis as any other medical service.

†Precertification of services provided by Participating Providers and Non-Participating Providers

Precertification is required for all hospital confinements, including preadmission testing, inpatient care at a Skilled Nursing Facility, or other licensed, freestanding facilities, such as Hospice Care, Home Health Care, or care at a rehabilitation facility, or selected outpatient procedures. Failure to obtain precertification will result in a penalty of \$500 per occurrence for covered charges incurred in connection with these services. This penalty will not count toward the satisfaction of any Deductibles or Out-of-Pocket Maximums. For a complete understanding of precertification requirements, please refer to your Schedule of Coverage and Certificate of Insurance.

*Payments Based on Maximum Allowable Charge for Covered Services

Maximum Allowable charge means the lesser of: the Usual, Customary, and Reasonable Charges or the Negotiated Rate or the Actual Billed Charges. The Maximum Allowable Charge may be less than the amount actually billed by the provider. Covered Persons are responsible for payment of any amounts in excess of the Maximum Allowable Charge for a Covered Service.

The HMO Tier of the Point-of-Service (POS) plan is underwritten by Kaiser Foundation Health Plan, Inc. (KFHP) while the Participating Provider and Non-Participating Provider Tiers of the POS plan are underwritten by Kaiser Permanente Insurance Company (KPIC). KPIC is a subsidiary of KFHP.
