This is a summary of benefits only and is subject to change. The KFHP *Evidence of Coverage* and the KPIC *Certificate of Insurance* contain a complete explanation of benefits, exclusions, and limitations. Your plan options

When it comes to health care, you expect plans that are simple and easy to use — for you and your employees. You need options that give you flexibility and control over your health care dollars. And you want it all from a trusted partner who can guide you every step of the way. That's the solution you get with Kaiser Permanente.

Our plans give your employees what they need to be healthier and more productive every day — great doctors, a focus on prevention, innovative health promotion tools, and high-quality, personalized care.

All HMO plans are also offered through Covered California for Small Business and *CaliforniaChoice®* (except Gold 80 HRA HMO 2250/35 PCP + Child Dental, Platinum 90 0/10 PCP KP Plus + Child Dental ALT, and Gold 80 250/35 PCP KP Plus + Child Dental ALT).

Copay HMO plans — A copay is the fixed dollar amount you pay for certain covered services or prescriptions. Copay plans feature mostly set fees and no deductible, so you know in advance how much you'll pay for services like doctor office visits and prescriptions.

- Platinum 90 HMO 0/10 PCP* + Child Dental Alt†
- Platinum 90 HMO 0/20 PCP* + Child Dental
- Gold 80 HMO 0/40 PCP* + Child Dental Alt†

Deductible HMO plans — A deductible is the set amount you must pay for most covered services within a plan year before your health plan begins to pay. After you reach your deductible, you'll start paying a copay or coinsurance (a percentage of the full charges) for most covered services for the rest of the plan year until you reach your out-of-pocket maximum. Depending on your plan, you may pay copays or coinsurance for some services without having to reach your deductible.

- Platinum 90 HMO 250/30 PCP* + Child Dental Alt†
- Gold 80 HMO 250/35 PCP* + Child Dental
- Gold 80 HMO 500/35 PCP* + Child Dental Alt†

HSA-Qualified High Deductible Health Plans (HDHP)
These deductible HMO plans can be paired with a health savings account (HSA), administered through Kaiser Permanente, with your health plan to get an integrated solution that lets you spend less time managing your employees' health care and more time focusing on your business. Your employees get triple tax savings with pre-tax contributions through payroll, tax-free interest earnings, and tax-free withdrawals to pay for qualified expenses.[1]

A monthly $3.25 administrative fee per employee account can be paid by you or your employees.

- Gold 80 HDHP HMO 1900/15% PCP* + Child Dental Alt†
- Silver 70 HDHP HMO 3200/25% PCP* + Child Dental
- Bronze 60 HDHP HMO 7200/0% PCP* + Child Dental

Deductible HMO with HRA plan — This deductible plan is paired with a health reimbursement arrangement (HRA), which you'll set up for your employees. An HRA lets you contribute money for your employees to use to pay qualified medical expenses on a tax-free basis.[1,2] A monthly $3.75 administrative fee per employee account is paid by you, the employer.

- Gold 80 HRA HMO 2250/35 PCP + Child Dental[3]

No matter which account type you choose to offer, your employees will get convenient payment options that make access to their Health Payment Account funds simple while reducing paperwork.

- Our HSA and HRA come with a health payment card, which works just like a debit card, so employees don't have to submit claims or file for reimbursement when paying qualified medical expenses using their card.
- Plus, our HRA offers employees the convenience of automatic reimbursement for eligible medical services received and paid for at Kaiser Permanente facilities.

Your employees can take advantage of 24-hour access to their health plan and Health Payment Account through kp.org and through Kaiser Permanente's Balance Tracker app for smartphones and mobile devices.

Kaiser Permanente Plus™ (KP Plus) Plans

Kaiser Permanente Plus Plans (KP Plus) are affordable health plans that give employees the choice of high-quality care from Kaiser Permanente and affiliated doctors with the flexibility of care from out-of-network doctors for a limited number of times. Up to 10 out-of-network physician visits or outpatient medical services per year and 5 prescription fills or refills per year (Specialty pharmacy drugs are not covered out of network). Preventive care services, such as routine physicals, well-child visits, and certain screening tests, with a $0 copay.

- Platinum 90 0/10 PCP KP Plus + Child Dental ALT +
- Gold 80 250/35 PCP KP Plus + Child Dental

Choose from any participating provider nationwide with the Private Health Care Systems (PHCS) Network for KPIC in California and other Kaiser Permanente states (Colorado, Georgia, Hawaii, Maryland, Oregon, Virginia, Washington, and the District of Columbia). In all other states, visit a Cigna Healthcare PPO Network provider. - Family dental plans are available only to those enrolled in a Kaiser Permanente health plan.
- If you choose to offer a family dental plan, all subscribers and dependents must participate.
- The DeltaCare HMO family dental plan isn't offered with any PPO health plans

Chiropractic and acupuncture

- Combined coverage for chiropractic/acupuncture care is included in most ACA-compliant metal plans.
- Grandfathered (nonmetal) plans (OPTIONAL)
  - The optional combined chiropractic/acupuncture coverage is available for grandfathered (nonmetal) plans for an added cost. This option is not available for the grandfathered HSA-qualified high deductible health plans (HDHP).
  - If you choose to offer chiropractic/acupuncture coverage, all subscribers and dependents must participate.
  - You can only add this coverage at renewal and can discontinue coverage anytime up to 4 months before your renewal date or at renewal.

Fertility benefit (optional)

- Metal plans
  - Upon selection of this optional benefit, it will be added to all metal plans offered, as part of the original contract, or can be added or discontinued upon renewal.
- Grandfathered (nonmetal) plans
  - Upon selection of this optional benefit, it will be added to all plans offered (grandfathered and metal), as part of the original contract, or can be added or discontinued upon renewal.
  - Addition of the fertility benefit to grandfathered plans will not affect grandfathered status. Removing benefits may affect grandfathered status.
  - For more information, contact your broker or Kaiser Permanente representative.

* The plan is also offered at Covered California for Small Business and CaliforniaChoice®.

† The abbreviation "ALT," in certain plan names indicates, Kaiser Permanente developed plans.

Understanding health plans

In the following plan highlights section, you'll get an overview of what your employees can expect to pay for certain services with our plans. There are 4 main categories of coverage, known as "metal plans" — Platinum, Gold, Silver, and Bronze. These 4 categories offer different levels of copays, coinsurance, and deductibles for essential health benefits.

Here's a quick look at how to use the chart.

1. Actuarial value
The percentage of total average costs for covered benefits that a plan will cover. For example, if a plan has an actuarial value of 60%, on average, members would be responsible for 40% of the costs of all covered benefits. However, members could be responsible for a higher or lower percentage of the total costs of covered services for the year, depending on their actual health care needs and the terms of their policy.

2. Plan deductible
The set amount employees pay for most covered services within a plan year before the health plan begins paying. This is included in the out-of-pocket maximum.

3. Embedded accumulation
Each individual family member will begin paying copays or coinsurance after meeting his or her individual deductible, or when the family deductible is satisfied, whichever comes first. Also, individual family members are no longer subject to cost sharing when they reach their individual out-of-pocket maximum, or when the family out-of-pocket maximum is met, whichever comes first. Not all services are subject to the deductible and/or out-of-pocket maximum.

4. Out-of-pocket maximum
The maximum amount an individual or family will pay for all covered services in a year before the plan starts paying 100% for most or all covered services.

5. Preventive care at no charge
Most preventive services are covered at no charge and aren't subject to the deductible.

6. Copay
The set amount employees will pay for certain services.

7. Coinsurance
The percentage of the total cost for certain services that an employee will pay after meeting the deductible up to the out-of-pocket maximum.
