Kaiser Permanente plans don't include a pre-existing condition clause.

Preventive services on this plan are available at no cost share. For a complete list of preventive services, please refer to the *Evidence of Coverage* or [account.kp.org](https://www.kaiserpermanente.org/account.kp.org).

<sup>1</sup>This is an aggregate plan. For a family of 2 or more, the family deductible applies to the whole family. Once the family deductible is met (by one family member or combination of family members), the family becomes eligible for copayments or coinsurance. The same methodology applies to the out-of-pocket maximum.

<sup>2</sup>Out-of-pocket maximum is the maximum amount an individual or family will pay for certain services in a calendar year.

<sup>3</sup>Scheduled prenatal visits and postpartum visits.

<sup>4</sup>Well-child visits through age 23 months

<sup>5</sup>Enhanced fertility coverage is available at additional cost, please contact your broker or Kaiser Permanente Representative for details.

<sup>6</sup>Prescription drugs are covered in accordance with our formulary when prescribed by a Plan physician and obtained at Plan pharmacies. A few drugs have different copayments; please refer to the *Evidence of Coverage* for detailed information about prescription drug copayments.

<sup>7</sup>Please refer to the *Evidence of Coverage* for information on what is included in your DME benefit. Coverage is limited.

<sup>8</sup>Kaiser Permanente members are entitled to a discount on eyeglasses and contact lenses purchased at Kaiser Permanente optical centers. These discounts can't be combined with any other Health Plan vision benefit. The discounts won't apply to any sale, promotion, or packaged eyewear program; for any contact lens extended purchase agreement; or to low-vision aids or devices. Visit [kp2020.org](https://www.kaiserpermanente.org/kp2020.org) for Kaiser Permanente optical locations.
