

Child dental benefits

Child dental services is one of the essential health benefits required to be provided in conjunction with your ACA metal medical plan(s). When employees and their dependents enroll in the HMO or PPO medical plan(s) you've chosen, we'll also enroll them in a separate child dental benefit underwritten by Delta Dental of California. Child dental benefits for HMO members are provided through the DeltaCare® USA network and PPO members are provided through the Delta Dental PPO network.
