
Plan Rates

Kaiser Permanente for small businesses ■ For effective dates January 1– March 1, 2025

Rate rules for metal plans

Understand the way rates are set in the small group market.

You'll use these factors to calculate rates for your metal plans:

- **Rate areas** — Rates are calculated quarterly and based on the employer's physical address within the Georgia service area. These rates only apply to employees who work/reside in our Georgia service area.
- **Individual age categories** — Rates are calculated by the age of each covered member on the plan's effective date. This includes:
 - Your employee
 - Employee's spouse or domestic partner
 - A maximum of 3 children under the age of 21 (additional children under 21 are covered at no additional cost)
 - All adult children ages 21 to 25, including those in school or living at home

Child dental coverage

Child dental coverage is only activated if child(ren) are enrolled in a medical plan.

Child dental services is one of the essential health benefits required to be provided in conjunction with Affordable Care Act (ACA)-compliant medical plans. Employees and their dependents enrolled in an ACA-compliant HMO medical plan will also be enrolled in a separate child dental plan based on their level of coverage and underwritten by Delta Dental of California.

PPO plan members enrolled in any of our ACA-compliant plans receive child dental PPO benefits as part of their coverage and not as a separate plan.

Child dental services apply to all members under 19 years old who are on an ACA-compliant plan.

What does "Alt" mean?

The abbreviation "Alt," in certain plan names, designates Kaiser Permanente developed plans that are different from the standard plans and are available through Covered California for Small Business. These Alt plans also include chiro/acu benefits with the exception of the Gold 80 HDHP HMO 1600/15% plan.
