

2025 Oregon Added Choice® alternative care benefit (acupuncture, chiropractic, massage therapy) options

This benefit covers self-referred acupuncture, chiropractic, and/or massage therapy services. Members may choose to receive covered services from KP Select providers, PPO providers, or nonparticipating providers.

Groups can select independently from the options below to meet needs for coverage of services, cost shares, and visit limits.

Self-Referred Services	Cost Share Options ¹ KP Select Providers	Cost Share Options ¹ PPO Providers	Cost Share Options ^{1,2} Nonparticipating Providers	Visit Limit Options ³
Acupuncture	\$10/\$25/\$40	20%	40%	12 or 24
Chiropractic	\$10/\$25/\$40	20%	40%	20 or 30
Massage	\$25	20%	40%	12

Office visits

Members do not need a referral to make an appointment. There is no claim form to file for services from KP Select providers or PPO providers; cost shares are directly paid to the provider when members receive care. For nonparticipating providers, members may need to pay in full at the time of service and submit a claim form for reimbursement of cost shares. Once the visit limit has been reached, members pay 100% of the cost of services for the remainder of the calendar year. For additional visits, members receive a discount of up to 20% when a provider from the CHP network is used.

KP Select providers

We contract with The CHP Group, a network of alternative care providers, to provide covered services to members. Visit chpgroup.com for a list of participating providers. For more information, visit kp.org/choiceproducts/nw or contact Customer Service at 1-866-616-0047.

PPO providers

In states where Kaiser Permanente operates, members can get care from First Choice Health providers in Oregon and Washington, and First Health Network providers in California, Colorado, Georgia, Hawaii, Maryland, Virginia, and Washington D.C.⁴ In all other states, members can visit Cigna HealthcareSM PPO Network providers.⁵ Visit kp.org/choiceproducts/nw or contact Customer Service at 1-866-616-0047 for more information.

Nonparticipating providers

Members can get care from nonparticipating providers of their choice.

¹ If added to an HSA-qualified deductible plan, this benefit is subject to the deductible.

² Members may need to file a claim for covered services at nonparticipating providers.

³ Visit limits for a covered service apply to PPO provider and nonparticipating provider benefits combined.

⁴ Kaiser Permanente states: California, Colorado, Georgia, Hawaii, Maryland, Oregon, Virginia, Washington, and Washington, D.C.

⁵ The Cigna Healthcare PPO Network refers to the health care providers (doctors, hospitals, specialists) contracted as part of the Cigna Healthcare PPO for Shared Administration.

Cigna Healthcare is an independent company and not affiliated with Kaiser Foundation Health Plan, Inc., and its subsidiary health plans. Access to the Cigna Healthcare PPO Network is available through Cigna Healthcare's contractual relationship with the Kaiser Permanente health plans. The Cigna Healthcare PPO Network is provided exclusively by or through operating subsidiaries of The Cigna Group, including Cigna Health and Life Insurance Company. The Cigna Healthcare name, logo, and other marks are owned by Cigna Healthcare Intellectual Property, Inc.

Information in this brochure was accurate at the time of production. Details may have changed since publication. This is not a contract. This benefit summary does not fully describe your benefit coverage with Kaiser Foundation Health Plan of the Northwest. Please see your *Evidence of Coverage (EOC)* for complete details of benefits as well as exclusions and limitations. In the event of a conflict between this summary and the EOC, the EOC will control.

Acupuncture services

Acupuncturists influence the health of the body by the insertion of very fine needles. Acupuncture treatment is primarily used to relieve pain, reduce inflammation, and promote healing. Covered services include:

- Evaluation and management.
- Acupuncture.
- Electro acupuncture.

Chiropractic services

Chiropractic and manual manipulation of the spine, joints, or soft tissue focuses on reducing pain and improving the function and structure of the body. It is a system of therapy that involves noninvasive care promoting science-based approaches to a variety of ailments. Covered services include:

- Evaluation and management.
- Musculoskeletal treatments.
- Physical therapy modalities such as hot and cold packs.

When prescribed during a chiropractic visit, X-ray procedures may be covered, as described in the *Evidence of Coverage (EOC)*.

Massage therapy services

Therapeutic massage involves the manipulation of soft tissue structures of the body to help alleviate pain, muscle discomfort, and stress by helping to promote health and wellness. Covered services include therapeutic massage procedures.

Alternative care exclusions

- Charges incurred as a result of a missed appointment or an appointment not canceled.
- Dermal friction technique.
- East asian massage and tui na.
- Laserpuncture.
- Nambudripad allergy elimination technique (NAET).
- Point injection therapy.
- Qi gong.
- Services designed to maintain optimal health in the absence of symptoms.
- Sonopuncture.
