Office visits

Members do not need a referral to make an appointment. There is no claim form to file. Cost shares are directly paid to the provider when members receive care. Once the visit limit has been reached, members pay 100% of the cost of services for the remainder of the calendar year. For additional visits, members receive a discount of up to 20% when a provider from the CHP network is used.

Kaiser Permanente contracts with The CHP Group, a network of alternative care providers, to provide covered in-network services to members. For more information, visit kp.org/choiceproducts/nw or contact Kaiser Permanente Customer Service at **1-866-616-0047**.
