**WELL BY KAISER PERMANENTE, THE FIRST-OF-ITS-KIND HEALTH CENTER
IN THE REGION, IS COMING IN SEPTEMBER 2021 TO FRIENDSHIP HEIGHTS.**

The new center will offer a unique primary care experience for your employees, who will benefit from personalized, extended in-person visits with skilled, knowledgeable Permanente physicians. Services will include:

- Annual physicals
- Check-ups
- Vaccinations
- Health screenings

They'll also have seamless access to care by phone, video,¹ and online from home or the office, so less time is spent away from work to get care, whether in person or virtually.

When it opens in September, the state-of-the-art center will feature 7 exam rooms and provider offices, all of which will be equipped to support virtual care. This convenient and streamlined access to quality care can help create a healthier workforce, meaning increased productivity for your business—and a healthier bottom line.

¹Video visits are for certain medical or mental health conditions and are available to Kaiser Permanente members who have a camera-equipped computer or mobile device and are registered at kp.org. You must be present in DC, MD, or VA for video visits with your primary care physician or behavioral health provider. For urgent video visits with an emergency doctor, you may also be present in WV, FL, NC, or PA. For video visits with a behavioral health provider, appointments can be scheduled for follow-up care.
