If you've not previously established your access to the OneLink Supplier Portal, send a secured email to the Kaiser Permanente eSettlements team at Kaiser-eSettlements@kp.org and provide the following information:

- Name and email address - up to three (3) designated administrators who can grant access and update/add banking payment information
- Legal name and DBA (if applicable)
- Federal tax ID number
- Agency/producer ID number used for conducting business with Kaiser Permanente Washington
