

Find your rate

Apply on buykp.org to have your rate calculated automatically.

How is your rate determined?

Your rate is based on:

- The plan you choose
- Where you live, based on your county and ZIP code
- Your age on your plan start date (effective date)
- If you qualify for federal financial assistance. Visit buykp.org or call us at **1-800-494-5314** to see if you may qualify.
- If you use tobacco

Interested in a family plan?

Find the rate for each family member, based on their age on the start date.

Family members include:

- You
- Your spouse/domestic partner
- All adult children 21 through 25
- Your 3 oldest children under 21

If you have more than 3 children under 21, you only need to pay for the 3 oldest.

The other children under 21 will be covered at no charge.

The rates apply to these counties. Please check that your county is listed. If it isn't, call us at **1-800-494-5314 (TTY 711)** for information on other rate areas.
